Seven private universities get Centre of Excellence status

After much delay, the Gujarat education department granted the status of Centre of Excellence to seven private universities. Officials said the move is to enhance the quality of education in the state's universities, to give it global touch, establish world-class infrastructure in universities for students with high-tech, student-friendly classrooms, etc.

The seven universities will now be outside the purview of the Admission Committee as well as Fee Regulatory Committee or some of the provisions of Gujarat Act No. 2 of 2008. The varsities granted the status are Ahmedabad University, CEPT University, CHARUSAT university, DAIICT, Marwadi University, Nirma University and PDEU.
