## ABOUT NIRMA UNIVERSITY

Nirma University was established by the initiative of the Nirma Education and Research Foundation (NERF). The University was established in the year 2003 as a statutory university under a special act passed by the Gujarat State Legislative Assembly. It is recognized by the University Grants Commission (UGC) under Section 2 (f) of the UGC Act. The University is duly accredited by National Assessment and Accreditation Council (NAAC) with 'A' grade. The University is a member of Association of Indian Universities (AIU) and the Association of Commonwealth Universities (ACU). Functioning under the aegis of NERF, the University consists of Faculty of Technology and Engineering, Faculty of Management, Faculty of Pharmacy, Faculty of Science, Faculty of Doctoral Studies and Research, Faculty of Law, Faculty of Architecture & Planning, Faculty of Commerce and Department of Design.

## ABOUT THE INSTITUTE

Institute of Pharmacy established in year 2003, is a leading institute in the western region of the country imparting quality pharmacy education at Under Graduate, Post Graduate and Doctoral levels. Institute of Pharmacy, Nirma University has been ranked 18<sup>th</sup> best Pharmacy Institute among Pharmacy Institutions of the country by NIRF, MHRD, Govt. of India. Institute of Pharmacy prepares the students to meet the challenges in the area of pharmaceutical manufacturing and research & development. The Institute houses state-of-art research facility and infrastructure to support pharmaceutical education and research. The Institute has adopted Outcome Based Education (OBE) to further advance the development of professional knowledge, inculcate employability skills in addition to development of character and social responsibility. Faculty members of institute are also using pedagogical tools like MINDOMO, PADLET, PIAZZA, EDMODO softwares and Google classroom as ICT based teaching and learning tool.

## ABOUT CONTINUING EDUCATION PROGRAM (CEP)

Continuing Education Programme (CEP), uniquely conceived and initiated by the Pharmacy Council of India is intended to improve the overall quality of teaching learning processes for pharmacy education and research in the country. The objectives of the CEP is fulfilled by educating the professionals for better use of the new pedagogical tools and technologies to cope with the new generation students for better outcome based education. CEP is also important for updating the knowledge and career growth of pharmacy professionals.

## OBJECTIVES

With growing industry needs in the context of data integrity and GMP compliance in the complex regulatory environment globally and in India, the Pharmacy Council of India (PCI) is planning to devise the Continuing Education Programme (CEP) curriculum as a part of quality assurance in pharmacy education. This continuous education programme aims to provide training to the trainers focusing on the learning of the new pedagogical technologies, understanding student's need and level of competency, outcome based teaching-learning and assessment techniques.

## OUTCOMES

After successful completion of the course, participants will be able to -

1. Update the knowledge of the pharmacy field and its applications with aid of pedagogical tools for enhanced teaching learning processes.
2. Know about interactive whiteboard for higher education.
3. Use computer mediated communication technologies and processes for better learning outcome.
4. Understand multifaceted evaluation framework and techniques for different learning modules.

## THRUST AREAS

1. Pedagogy for various course delivery modules
2. ICT based teaching and research
3. Interactive course content preparation
4. Software based communication technologies
5. ICT based monitoring and evaluation tools and its applications

## INSTRUCTIONS TO THE PARTICIPANTS

- Continuous Education Programme is open for regular faculty of PCI approved pharmacy colleges.
- Number of participation is restricted to 30 participants which will be awarded on first-cum-first served basis. Incomplete forms will be considered Invalid
- **There is no registration fees.**
- Attendance of participants in each session is compulsory to secure eligibility for certificate of the programme after submission of the CEP report.
