About Nirma University

Padma Shri Dr. Karsanbhai K. Patel, the founder of Nirma Group of Industries and internationally famous entrepreneur crystallized his long cherished dream of providing world-class facilities for professional education in Gujarat in 1994. He established Nirma Education and Research Foundation (NERF), which in turn, established, in a 125 acre campus, seven leading institutions within short span: Institute of Technology in 1995, Institute of Management in 1996, Institute of Diploma studies in 1997, Institute of Pharmacy in 2003, Institute of Science in 2004, Institute of Law in 2007 and Institute of architecture and planning in 2014, Institute of commerce in 2016 and Department of Design in 2017. The establishment of the Nirma University in April 2003 was a natural consequence of the very high standards achieved by the institutes. Nirma University was established in 2003 as a statutory university under the Gujarat State Act, by University Grant Commission (UGC) under section 2(f) of the UGC Act., as the initiative of the NERF. Nirma University has been accredited by NAAC in October 2015 and received 'A' grade. Nirma University is a member of Common Wealth University Association and also of Association of India Universities. Innovation, excellence, and quality are the driving forces on the campus and this has translated the vision of this university into a reality over a short period of time.

Programme Outline

Registered pharmacist delivers pharmaceutical services to people in community. They have critical responsibilities in healthcare system which includes checking and dispensing of prescribed drugs, providing guidance on selection and usage of drug and its combination to doctors and other health professionals, patient counselling, for medication adherence and health promotion and proper usage of medications. In the current scenario, there is lack of updated information related to adopted medicines and related advances in healthcare system. The vital aim of this program is to deliver structured and advanced education and training for registered pharmacists whose ability, motivation, and career aspirations will pave a way for creative and innovative leadership in pharmacy practice.

About Institute of Pharmacy

Institute of Pharmacy was established in the year 2003 under Nirma University with the aim of developing able professionals in the field of pharmaceutical sciences. In a short span of time, it has become one of the leading institution in the country, offering pharmaceutical education at the undergraduate, postgraduate, doctoral and postdoctoral level. The Institute has initiated an Executive Diploma Programme in Pharmaceutical Management. Institute has been ranked 21 st in India Ranking 2019 by Ministry of Human Resource Development, (MHRD), Government of India in its National Institutional Ranking Framework (NIRF). The Institute offers B. Pharm, M. Pharm, Full time and External Ph.D as well as Postdoctoral programme. The Institute has adopted Outcome Based Education (OBE) to further advance the development of professional knowledge, inculcate employability skills in addition to development of character and social responsibility. To achieve the same objective, vision and mission of the institute was also defined in line with University's vision and mission. The Institute has also defined its programme educational objectives and programme outcomes. The Institute has more than 8.0 crore rupees grant from government agencies and has collaboration with various research centers and industries. The Institute houses state-of-the-art instruments, like supercritical fluid extractor and chromatogram, HPTLC, HPLC, MPLC, GC, Fluorescence Spectrometer, Raman Spectrometer, UV-VIS-NIR Spectrophotometer, FTIR, DSC, ELISA, PCR, Electrophoresis, Texture Analyser, Automated Dissolution Apparatus, Extruder-Spheronizer, Multiple diffusion Assembly, High Pressure Homogenizer, Particle Size Analyser, Microwave synthesizer, Stereotaxic apparatus with Microdialysis, etc. The Institute also has the software, like iWorx, Gold Suit, eCTD, Design Expert, etc.

The Institute has a two-storied animal house facility registered with the Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA), Government of India. Besides, there is also a medicinal plant garden "Nirma Herbal Wealth", having an area of 3356.5 sqm with around 150 genera and 500 plants.

Who Should Attend this Programme?

The programme is best suited for registered pharmacist engaged in dispensing and management of medicines.

Programme Highlights

This programme will be focused in the areas of drug information, drug therapy management, adverse drug events management, essential drugs supervision, adherence of drug therapy and many other dispensing areas. Provision of pharmaceutical care will be the primary aim of this programme.

RESOURCE PERSONS

The program will be conducted by the eminent external resource persons from academia and profession who are leaders, master trainers and have a very vast experience. Faculty members from Institute of Pharmacy, Nirma University will also conduct the sessions.
