

Nirma University

Nirma University was established by the initiative of the NIRMA EDUCATION AND RESEARCH FOUNDATION (NERF). The University was established in the year 2003 as a statutory university under a special act passed by the Gujarat State Legislative Assembly. It is recognized by the University Grants Commission (UGC) under Section 2(f) of the UGC Act. The University is duly accredited by National Assessment and Accreditation Council (NAAC) with "A" Grade. The University is a member of Association of Indian Universities (AIU) and the Association of Commonwealth Universities (ACU).

Functioning under the aegis of NERF, the University consists of Institute of Technology, Institute of Management, Institute of Pharmacy, Institute of Law, Institute of Science, Institute of Architecture and Planning, Institute of Commerce, Department of Design.

The University is identified with cutting edge research, robust academic programmes, quality teaching learning process and over-all personality development interventions of its students. The 110 acres sprawling state of art campus provides refreshing environment and stimulates intellectual growth and creativity.

About Institute of Pharmacy

Institute of Pharmacy is a constituent Nirma University. The future pharmacists will be required to function, communicate and work effectively in multidisciplinary teams. Institute of Pharmacy was established with a view to promote excellence in Pharmaceutical education and to prepare new generation to meet the challenges in the area of pharmaceutical industries, education, research and development as well as marketing.

Institute of Pharmacy is poised to face global challenges of the pharmaceutical industry and education with the changed perspectives. It has modern, well-designed and very well equipped laboratories in addition to the spacious and ICT enabled classrooms and seminar hall. Research is facilitated by laboratories housing advanced instruments like automated dissolution apparatus,

texture analyzer, spray dryer, freeze dryer, melt extrusion and spheronizer, multiple diffusion assembly, mpvc, microwave synthesizer, fourier transform infrared (FTIR), UV-Near IR Spectrophotometer, HPLC with PDA detector, HPTLC, Raman Spectrophotometer, Super-critical fluid extraction chromatogram; to name a few; as well as software for docking, SYBYL, iWORX, Systat, SPSS, Gold suite. The institute also boasts of a state of the art Animal House and a large Medicinal Plant Garden with over 170 species of rare and useful plants. The Director, Institute of Pharmacy, received Rs. 55,00,000 under Fund for Improvement of Science and Technology Infrastructure (FIST) for the year 2014-19 from Department of Science and Technology, Government of India.

About Centre For Continuing Education

Nirma University has established a Centre For Continuing Education with the following objectives:

- To provide need based continuing education, knowledge, training etc. in various fields to all stakeholders.
- To assist working professionals in the industry in widening their knowledge base and in improving their skills.
- To arrange workshops, lectures, seminars, services, on requests.
- To identify employment potential areas and to conduct competency based skilled development programme.
- To conduct vocational training to meet the specific needs of industrial businesses.
- To conduct short duration and long duration programmes in Management, Engineering and Technology, Pharmacy, Science, Law and Architecture.
- To conduct training programme for competitive examinations.
- To coordinate the continuing education programme offered by various Institutes at the University level.

One Day Workshop on Medical Writing

15th February, 2020

Programme Coordinator

Dr. Jigna Shah and Dr. Bhagawati Saxena
