2019 Student Design Challenge – India Results

Hello Dr. Urmil,

Greetings from Bentley Institute! We are pleased to announce the winners of the 2019 Student Design Challenge – India! Our panel of jurors has selected winners in each category from the numerous entries to recognize and reward the innovative and technically advanced projects created by the students. The Winner from NIRMA University Institute of Technology is given below:

Structural Engineering Design with STAAD.Pro

- **1st Runner Up: Sanket Ladani, NIRMA University Institute of Technology, Gujarat**

To see the winning projects, please visit this link: <http://bit.ly/2O620pD>

We are arranging a Prize Distribution Ceremony for 2019 Student Design Challenge India in Bentley Institute's Digital Advancement Academy Pune during 2nd week of December 2019 (exact date to be confirmed). We are inviting all the winners from India to showcase their projects, where they also get an opportunity to interact with Industry experts & learn more about Bentley's other offerings.

Kindly confirm your & students' presence by replying to this email. A detailed agenda for the event with the event date will be shared with you once we receive the confirmation from your end. Looking forward to a positive response.

Please Note: Expenses related to travel and stay will have to be borne by individual student/college.

Thanks!
