Part - A

Stakeholder Feedback Analysis & Action Taken Report

Part A:

**Stakeholder Feedback
Analysis & Action
Taken Report**

**Starting from
2019-20 to 2015-16**

Nirma University
Action Taken Report

Feedback Received from Stakeholders on Design and Review of curriculum, Outreach, Teaching pedagogy & Infrastructure
Name of Department/Institute: Institute of Architecture & Planning

Academic Year 2019-20

Sr. No	Name, Affiliation and Contact Details of Stakeholders consulted (Students, Faculty members, Experts & Parents)	Details of Feedback Received for Design and Review of curriculum, Outreach, Teaching pedagogy & Infrastructure	Action Taken	Supporting Documents for showing Stakeholder's Feedback is Considered for Curriculum Revision
01	Expert / Visiting Faculty Member Dr. C.N. Ray(Architect, Planner & Planner)	<ul style="list-style-type: none"> ● In third and fourth year there may be more elective courses, more field exposure as part of studio and also in few courses. ● Students have taken appreciating effort of display and showcase their academic work through which they have very well showcased their talent. ● First and second year should have more skilled based courses. The faculty students contact hours should be more in initial years. 	<p>After the discussion with faculty members and experts, the below-listed actions were taken in B.O.S and Academic council dated: 14/8/2019</p> <ul style="list-style-type: none"> ● For teaching satisfaction, the faculty members' reviews are analyzed to allocate appropriate and experienced visiting faculty members to teach relevant subjects. ● Transparency in the teaching and evaluation process through a timely display of grades and query resolution. ● New MoUs are signed with national and international Universities for more collaborations and outreach. 	<p>NU/AC/AdhocJtBoS/Arch/Minutes/19-3397-3409 Date: 14/08/2019 Item No.3 Page No.1 & 2</p>
02	Expert / Visiting Faculty Member Ar. Yogesh Gandevikar (Architect & Practitioner)	<ul style="list-style-type: none"> ● Students should adhere to academic calendar and submission schedule. The marks should be regularly displayed for students to be aware of their progress. It also encourages students to regularly attend classes and submit the assignments. 		

03	Parents:	<ul style="list-style-type: none"> ● Parents - Teachers meeting <p>Following are Comments and Suggestions provided by the parents. (1)General comments(Overall experience):</p> <p>A- Stationery Store B- At this stage infrastructure is good and appreciated. C- Girl's Hostel Building D- Subjects like environmental planning, disaster management should be taught in undergraduate program. E- The grades should be displayed regularly to the parents so they are aware of their ward's progress.</p>	<ul style="list-style-type: none"> ● The focus on contact hours on teaching reviewed and extended for First Year & Second Year and reduced for fourth year and Final Year students. ● The elective pool of subjects extended to Programming Language, Bamboo Construction, Environmental Planning , Disaster Management etc., helping students build base in their area of interest. ● The area of Wood workshop expanded, Laser printer and 3D printer added to the workshop top facilitate model making. ● Construction yard also expanded for two batches to work simultaneously ● The temporary situation of first-year classes being conducted in the new building is reviewed and discussed. The institute initiates the process of having one entire building for the Architecture program to address the commuting issues between old and new buildings for students and faculty members. 	
04	Students (10 Students)	<p>Majority of the reviews are above average/satisfactory. Following are Comments and Suggestions provided by the parents.</p> <ul style="list-style-type: none"> ● More students should have opportunities for exchange program. More no. Of elective subjects should be offered for photography, bamboo construction, Language etc. ● Construction yard and fabrication lab should be open for longer hours with an assistance. ● One batch should not be sent to new building as the communication and peer learning becomes very difficult. 		
05	Alumni Students (93 Students)	<ul style="list-style-type: none"> ● Highly Satisfied with the curriculum. ● The practical aspects as well as introduction and use of digital techniques were missing ● We need to really work on curriculum 		

		<p>standards based on the industry</p> <ul style="list-style-type: none">● The curriculum offered by the institute is quiet satisfactory. However I feel that the existing curriculum should be incorporated a through focus on construction drawings in each semester.● more practical based study in software(GIS, AUTOCAD,SKETCHUP) subjects in planning and should be incorporated in every semester for proper understanding.● online resources of library as facility of workshops● The facilities must be open even after working hours of university, being a design field, to improve more and better interaction amongst students.● 3D printing must be encouraged● Classroom and more books in the library related to planning Course.

Feedback Report of Parents Meeting held on 20th Feb 2020

The purpose of the parents meeting is to obtain views of the parents about the Academic, Co-curricular and Campus life experiences. Report is drafted from parents feedback.

Total no. of Parents attended meeting : 20

No.	Parameters	1 (Little Satisfied)	2 (Less Satisfied)	3 (Moderately Satisfied)	4 (Satisfied)	5 (Highly Satisfied)
1.	To what extent, you are satisfied with the overall curriculum?	-	2	12	5	1
2.	To what extent, you are satisfied with Guiding/Counseling by Faculty/Teachers.	1	-	8	9	2
3.	To what extent, you are satisfied with Institute's rules-regulations for Attendance, Discipline and Punctuality.	5	8	3	2	2
4.	To what extent, you are satisfied with Work output (exhibited) of students after effort of Faculty members.	1	-	5	13	1
5.	To what extent, you are satisfied with quality of teaching by faculty members.	-	-	4	16	-
6.	To what extent, you are satisfied with Adherence of the Institute to academic calender.	-	4	5	11	-
7.	To what extent, you are satisfied with Co-curricular and Extracurricular activities happened to institute.	3	2	5	8	2

8.	To what extent, you are satisfied with Quality of Infrastructure facilities at Institute.	-	3	8	9	-
9.	To what extent, you are satisfied with Public lecture, RSP, Field trip, Industry visit, etc.	2	2	5	6	5
10.	To what extent, you are satisfied with Mentoring & Counseling procedure at the Institute.	2	4	7	5	2
11.	To what extent, you are satisfied with Institute and the Programme(overall).	1	2	11	5	1
12.	To what extent, you are satisfied with overall development of your ward. (Knowledge, Skills, Decision making capacity & Personality development, Communication, Attitude, Time Management)	2	1	6	9	2

Following are the comments and suggestions provided by the parents.

General comments(Overall experience):

- Attendance should be less than 75%
- Architecture is the only course where we need more time for practicals but because of attendance, we are not able to do that.
- Please remove bad faculties
- Attendance is a huge issue.
- More lectures and motivating lectures.
- Good but scope for improvement a lot of scope, make it more energetic then depressing.
- 85% Attendance is very high according to the time table and numbers of lectures.
- Faculties should be a little encouraging when students are trying to explore themselves.
- Architectural requires exploration of ideas beyond college boundaries so in campus attendance should be less.
- Attendance should be strict
- Rude faculties who bring depression more then teaching should be dealt carefully.

Suggestions for course curriculum:

- Saturday - Sunday are official holiday, so cancel all extra class.
- My son does not get time for relaxation.
- Good
- More trips outside to learn practical more, more practical work inside campus, extra curriculum activities should be more to enhance the personalities, not just work load.
- Student should be motivated and not depressed.
- Make it more productive so that the work can be used in portfolio, More trips than just class work, Encourage for extra curriculum activities.
- They don't consider Sunday as holiday. Always extra lectures are arranged during holiday. We don't get enough time to complete the submissions and visiting difference places.
- We want RSP outside Gujarat also learning in pole of Ahmedabad every year is not valid.
- Curriculum should also provide opportunities for overall grooming and personality development, and should also encourage and support extra curriculum.

- Practice should be more including history, We don't get good working VIBES in the campus.
- Course curriculum is very good and very active for performance and everything is connected and faculties manages as well.
- There should be more time for case study, no more pole houses RSP.
- More site visit and case studies. Such kind of assignment should be given which are affordable and requires less budget materials.
- All computer should have Autocad, Sketchup, RHINO, & Photoshop.
- Course curriculum is fine but we don't get time to complete the work with expected qualities.

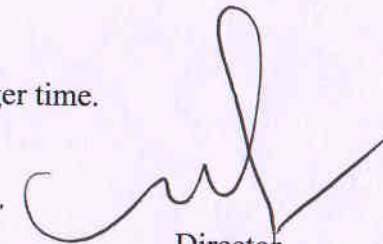

Suggestion for Infrastructure /Facilities:

- Library is resourceful but more books needed, Most of computer cant run application.
- Drinking water and lights problem.
- Washroom should be clean.
- Good
- Lights, Washroom, Classes should be more clear.
- Classes are nice and clean but not creative for bloom ideas.
- Dogs should be removed from the campus.
- Rest is good, only water qualities should be improved, Library should be open for longer time.

Date : 23/02/2018

The purpose of the parents meeting is to obtain views of the parents about the academic, co-curricular and campus life experiences. Report is drafted from parents feedback.
 Total 30 Parents Attended meeting, out of 30 parents 24 parents had given feedback forms.

No.	Parameters	1 (Little Satisfied)	2 (Less Satisfied)	3 (Moderately Satisfied)	4 (Satisfied)	5 (Highly Satisfied)
1.	To what extent, you are satisfied with the overall curriculum?	-	1	4	15	4
2.	To what extent, you are satisfied with Guiding/Counseling by Faculty/Teachers.	-	1	4	13	6
3.	To what extent, you are satisfied with Institute's rules-regulations for Attendance, Discipline and Punctuality.	-	-	2	8	14
4.	To what extent, you are satisfied with Work output (exhibited) of students after effort of Faculty members.	-	-	5	13	6
5.	To what extent, you are satisfied with quality of teaching by faculty members.	-	-	5	12	7
6.	To what extent, you are satisfied with Adherence of the Institute to academic calender.	-	1	3	15	5

7.	To what extent, you are satisfied with Co-curricular and Extracurricular activities happened to institute.	-	1	6	12	5
8.	To what extent, you are satisfied with Quality of Infrastructure facilities at Institute.	-	-	1	10	13
9.	To what extent, you are satisfied with Public lecture, RSP, Field trip, Industry visit, etc.	1	2	3	7	11
10.	To what extent, you are satisfied with mentoring & counseling procedure at institute.	1	1	2	14	6
11.	To what extent, you are satisfied with Institute and the Programme(overall).	-	-	1	15	8
12.	To what extent, you are satisfied with overall development of your ward. (Knowledge,skills, decision making capacity & personality development, communication, attitude, time management)	-	-	4	14	6

Following are Comments and Suggestions provided by the parents.

(1) General comments(Overall experience):

- A- There should be lectures taken by the local known architects.
- B- I have suggested that at least 2 meeting with parents must be so parents can know about their child's activity and progress.
- C- Discipline and Environment of the Institute.
- D- While Evaluating group project students input to that work should also be considered instead of commonly evaluation.
- E- Good , We are satisfied.
- F- Overall my ward has developed to an end who has to at this stage just the thing lacking is,confidence which can help.
- G- Give Relax In RSP.
- H- The Discipline of "NIRMA" is admirable, atmosphere is very good, the furniture in Auditorium, Study, Class room required.
- I- Very good institute and i am sure that you will have very bright future and also very satisfied with university.
- J- RSP must be well planned more learning interactive session are required as RSP site so can perform better. Good quality of food.

- K- Our first year is there and overall experiance, if i want to so (1) For study no problem.(2) Some kind of infrastrcture needed.(3) In discipline you have to more strict.
- L- Good management of students. If required make strict towards in time work of students Guide them to work regularly, if not contact parents.

(2) Suggestions for course curriculum:

- A- Course curriculum is overall good for student.
- B- Conflict resolution Communication HR releted Management subject should be there.
- C- Student should visit different Universities for their study, during some exhibition so they can share their ideas and learn from that visit.
- D- In the second semester stating very flammed communication is given management of all faculty member should stick to the study should be free to do the autocad of required subject knowledge.
- E- Little lengthy my opinion is to that the faculty thinks only of there part not other things.
- F- More and more interactive programme should be arranged and evaluation should be done.
- G- Some Expertise People's group discussion open book test so it can helpful in future.

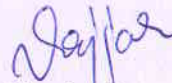

(3) Suggestion for Infrastructure /Facilities:

- A- NU Bus Facility please extend to Kudasam
- B- Fair enough
- C- Stationery Store
- D- At this stage infrastructure is good and i appreciate.
- E- Stationery Store
- F- Stationery Store must be in campus
- G- Please do something for Girl's Hostel Building And Stationery store.

9.	To what extent, you are satisfied with Public lecture, RSP, Field trip, Industry visit, etc.	2	-	5	6	5
10.	To what extent, you are satisfied with Mentoring & Counseling procedure at the Institute.	-	4	7	5	2
11.	To what extent, you are satisfied with Institute and the Programme(overall).	1	-	11	5	1
12.	To what extent, you are satisfied with overall development of your ward. (Knowledge, Skills, Decision making capacity & Personality development, Communication, Attitude, Time Management)	-	1	6	9	2

Following are the comments and suggestions provided by the parents.

General comments(Overall experience):

- Attendance is a huge issue.
- More lectures and motivating lectures.
- Good but scope for improvement a lot of scope, make it more energetic then depressing.
- Attendance should be less than 75%
- 85% Attendance is very high according to the time table and numbers of lectures.
- Faculties should be a little encouraging when students are trying to explore themselves.
- Architectural requires exploration of ideas beyond college boundaries so in campus attendance should be less.
- Architecture is the only course where we need more time for practicals but because of attendance, we are not able to do that.

Suggestions for course curriculum:

- We want RSP outside Gujarat also learning in pole of Ahmedabad every year is not valid.
- Curriculum should also provide opportunities for overall grooming and personality development, and should also encourage and support extra curriculum.
- Saturday - Sunday are official holiday, so cancel all extra class.
- My son does not get time for relaxation.
- More trips outside to learn practical more, more practical work inside campus, extra curriculum activities should be more to enhance the personalities, not just work load.
- Student should be motivated and not depressed.
- Make it more productive so that the work can be used in portfolio, More trips than just class work, Encourage for extra curriculum activities.
- Practice should be more including history, We don't get good working VIBES in the campus.
- Course curriculum is very good and very active for performance and everything is connected and faculties manages as well.
- There should be more time for case study, no more pole houses RSP.
- More site visit and case studies. Such kind of assignment should be given which are affordable and requires less budget materials.
- Course curriculum is fine but we don't get time to complete the work with expected qualities.

Suggestion for Infrastructure /Facilities:

- Rest is good, only water qualities should be improved, Library should be open for longer time.
- Library is resourceful but more books needed, Most of computer cant run application.
- Drinking water and lights problem.
- Washroom should be clean.
- Lights, Washroom, Classes should be more clear.

Following are the comments and suggestions provided by the parents.

General comments(Overall experience):

85% Attendance is very high according to the time table and numbers of lectures.

Attendance should be strict

Attendance is a huge issue.

Architectural requires exploration of ideas beyond college boundaries so in campus attendance should be less.

Attendance should be less than 75%

Architecture is the only course where we need more time for practicals but because of attendance, we are not able to do that.

Please remove bad faculties

More lectures and motivating lectures.

Good but scope for improvement a lot of scope, make it more energetic then depressing.

Suggestions for course curriculum:

More site visit and case studies. Such kind of assignment should be given which are affordable and requires less budget materials.

All computer should have Autocad, Sketchup, RHINO, & Photoshop.

Course curriculum is fine but we don't get time to complete the work with expected qualities.

Saturday - Sunday are official holiday, so cancel all extra class.

My son does not get time for relaxation.

More trips outside to learn practical more, more practical work inside campus, extra curriculum activities should be more to enhance the personalities, not just work load.

Student should be motivated and not depressed.

Practice should be more including history, We don't get good working VIBES in the campus.

Course curriculum is very good and very active for performance and everything is connected and faculties manages as well.

There should be more time for case study, no more pole houses RSP.

Suggestion for Infrastructure /Facilities:

Classes are nice and clean but not creative for bloom ideas.

Dogs should be removed from the campus.

Lights, Washroom, Classes should be more clear.

Rest is good, only water qualities should be improved, Library should be open for longer time.

Library is resourceful but more books needed, Most of computer cant run application.

Drinking water and lights problem.

Washroom should be clean.

Feedback Report of Industry and Academic Experts (2015-16)

2015-16		1	2	3	4	5
Q1	To what extent you are satisfied with over all curriculum?		1	3	4	3
Q2	To what extent, you are satisfied with Institute's rules- regulations for Attendance, Discipline and Punctuality?		2	4	3	2
Q3	To what extent, you are satisfied with work output of the students after the efforts of the faculty?	1	2	5	3	
Q4	To what extent, you are satisfied with Adherence of the Institute to academic calendar?			6	4	1
Q5	To what extent, you are satisfied with Quality of Infrastructure in the Institute?			2	4	5
Q6	To what extent, you are satisfied with Institute and the Program (overall)		4	3	3	1
Q7	To what extent, you are satisfied with course curriculum (Theory, Concept, Knowledge and Skill)?			1	3	7

Comments:

1	The timimng of the institute needs to be flexible especially in Jury time.
2	The outcome of the Related Study Program can be compiled as an archive
3	The institute should work towards creating it's own philosophy of architectural education.
4	The institute computer lab should be equiped with enough computers with relevant softwares i.e Adobe, AutoDesk, Rhino etc.

General comments:

I am teaching AQSR subject in first year. In first sem. due to late admissions but AQSR, we hardly get 10-12 weeks for teaching & even in that

Suggestions for course curriculum:

the first sem students are forced to participate in events. This wastes a lot of time & the syllabus is

Suggestions for Infrastructure/ facilities (classroom, workshops, construction yard, computer lab, library):

difficult to complete. Hence, an humble request NOT TO INVOLVE FIRST SEM STUDENTS IN EVENTS

General comments:

Informal academic Environment needs to be created while following some minimum regulation of the University. Students should be exposed to social and cultural reality of the contemporary society. It will help the students not only becoming trained professional but also responsible citizen.

Suggestions for course curriculum:

In third and fourth year there may be more elective courses, more field exposers as part of studio and also in few courses.

Suggestions for Infrastructure/ facilities (classroom, workshops, construction yard, computer lab, library):

There can be a small canteen, one store selling required stationary and photo copy facility inside the building. One Common room for students is also required. Library time needs to be extended. There is no fixed space for visiting faculty; one room having attached toilet is very much required. There is no proper exhibition space inside the building. One workshop, Photography lab, GIS Lab and many such infrastructure facilities will help students.

Institute of Architecture and Planning

Feedback Form - Experts

The purpose of this feedback is to obtain views of the experts about the academic curriculum design and implementation. Your views are important to us. These shall be used to improve the academic discourse by the Institute/ University. Please be objective and honest in giving your feedback. Your responses shall be kept confidential.

3. Moderately Satisfied
4. Satisfied
5. Highly Satisfied

No.	Parameter	1	2	3	4	5	
1.	To what extent you are satisfied with over all curriculum?				✓		2
2.	To what extent, you are satisfied with Institute's rules- regulations for Attendance, Discipline and Punctuality?				✓		2
3.	To what extent, you are satisfied with work output of the students after the efforts of the faculty?				✓		1
4.	To what extent, you are satisfied with Adherence of the Institute to academic calendar?				✓		2
5.	To what extent, you are satisfied with Quality of Infrastructure in the Institute?					✓	5
6.	To what extent, you are satisfied with Institute and the Program (overall)				✓		4
7.	To what extent, you are satisfied with course curriculum (Theory, Concept, Knowledge and Skill)?			✓			3

Please take moment to make further comments or suggestions for improvement in curriculum, co-curricular and other academic initiatives at Nirma University. We value your feedback.

General comments: SHOULD INTRODUCE WORKSHOP BASED COURSES.

- COMMITMENT LEVEL OF STUDENTS IS LOW
- FACULTY-STUDENT INTERACTION TOO INFREQUENT SOMETIMES.

Suggestions for course curriculum: CROSS LEARNING BET. SUBJECTS SHOULD BE ENCOURAGED.

Suggestions for Infrastructure/ facilities (classroom, workshops, construction yard, computer lab, library):

NEED MORE OPEN SPACE IN STUDIOS

Please take moment to make further comments or suggestions for improvement in curriculum, co-curricular and other academic initiatives at Nirma University. We value your feedback.

General comments: Overall the institute is very particular about academic goals which is very impressive.

Suggestions for course curriculum: Students spend alot of time on extra curricular activities. Maybe that time can be reduced.

Suggestions for Infrastructure/ facilities (classroom, workshops, construction yard, computer lab, library):

The classrooms should be kept clean by the students also. The students should be made aware of cleanliness and discipline.

6.	To what extent, you are satisfied with Institute and the Program (overall)					
7.	To what extent, you are satisfied with course curriculum (Theory, Concept, Knowledge and Skill)?					

Please take moment to make further comments or suggestions for improvement in curriculum, co-curricular and other academic initiatives at Nirma University. We value your feedback.

General comments: - *Integration of studios and other subjects*

Suggestions for course curriculum: - *Working drawing as rigorous studio*
 - *Construction - less theory & more hands on*
 - *Skill based*

Suggestions for Infrastructure/ facilities (classroom, workshops, construction yard, computer lab, library):

- *workshops & labs to be more equipped*
