Feedback Received from Stakeholders (Alumni) on Design and Review of Syllabus

Academic Year 2015-16

S.No.	Feedback	Remarks / Action Taken
1	Be updated about Market intelligence in terms of Business growth plans of the organisation to identify placement opportunities.	The Xquisite team prepares a snapshot of the profile of the companies visiting for campus placements which gives them an insight about the company. Industry experts visit the campus to discuss about industry and sectoral trends in Institute Seminar Series.
2	Visit Linked-in IDs of the concerned person to get more ideas for discussing with the individual's interest areas.	Implemented at Student Placecomm and Kaizen level. The database is also updated with the Linked-in IDs of the contact person of the company.
3	Need to add courses relevant to the Industry demands and trends. Include more interactive cases involving industry problems.	Elective course "Data Analysis" under Operations Management and Information Technology specialization is introduced for 2 nd Year students of MBA program. Reference of MOM Page no. 3 of AC dated 28/09/16. Specialization of "Business Analytics" introduced in MBA (Full Time); Reference of MOM Page no. 7 of AC dated 20/04/2018
4	Focus on soft and technical skills, brush up with certification courses.	Credit hours of elective course "Lean Six Sigma" increased from 1.5 credits to 3 credits. Reference of MOM Page no. 7 of AC dated 29/03/2016
5	Try to get new courses like Digital Marketing, Sports Marketing and Operations in Technology Services.	Digital Marketing is already offered as a compulsory subject in the second year and Sports Marketing is offered as general elective in 1st year.
6	Kindly include COMPULSORY LIVE PROJECTS at least 2 (for two years) minimum 1 month work so that some of the learning goes in.	Students do live projects with industry which gives them exposure into the practical functioning of corporates.
7	Practical understanding of company portfolio across sectors gives a good direction of where to be. Sector specific and within sectors vertical specific sessions should be conducted. More practical subjects such as Bank Management, etc. should be incorporated.	The Xquisite team prepares a snapshot of the profile of the companies visiting for campus placements which gives them an insight about the company. It has been noted down and would be reviewed in subsequent curriculum revision,
8	It is the personality development that is helping in my current job. Curriculum and facilities are good but the focus on overall development.	A course on Personality Development is already been offered.
9	More concentrations on domain training like Real Estate and Supply Chain Production.	Supply Chain Management is already a compulsory subject offered in second year.

Institute of Management, Nirma University

Feedback Received from Stakeholders (Alumni) on Design and Review of Syllabus

Academic Year 2016-17

S.No.	Feedback	Remarks / Action Taken
1	Need to add topics like Social Media Marketing, Ethics in Finance.	Social Media Marketing and Business Ethics are already offered as compulsory subjects in Term I
2	Try to get new courses like Digital Marketing, Sports Marketing and Operations in Technology Services.	Digital Marketing is already offered as a compulsory subject in the second year and Sports Marketing is offered as general elective in 1st year.
3	Include some sessions on 'Career Counseling'. This can help students understand how to shape their careers once into the job.	Mock Interviews and feedback sessions were conducted to prepared the students to face the campus placement process.
4	Have more industry interactions, send students on small tasks like helping companies to organize walk in interviews, etc. It will help them in the long run.	Students do live projects with industry which gives them exposure into the practical functioning of corporates. Industry visits are also conducted to give them a view of the corporate world.

Institute of Management, Nirma University

Feedback Received from Stakeholders (Alumni) on Design and Review of Syllabus

Academic Year 2017-18

S.No.	Feedback	Remarks / Action Taken
1	Finance Area: A course on Risk Management should be taught to the students and could also include practical application of Equity Research reports, credit research reports and valuation reports	Elective course "Topics in Corporate Finance" introduced in MBA program; Reference of MOM Page no. 5 of AC dated 28/09/16. Statements Analysis" of Term-IV of MBA (Full Time) is revised; Reference of MOM Page no. 7 of AC dated 29/03/2016.
2	Operations Area: A course on Data Analytics (including tools based on languages like Python, R etc.) can be introduced. Courses on Cloud Computing and Security Management should also be introduced	Elective course "Data Analysis" under Operations Management and Information Technology specialization is introduced for 2 nd Year students of MBA program; Reference of MOM Page no. 3 of AC dated 28/09/16. Specialization of "Business Analytics" introduced in MBA (Full Time); Reference of MOM Page no. 7 of AC dated 20/04/2018
3	Marketing Area: Digital Marketing profile skill set should be a part of the Internet Marketing course or a separate course which would include paid marketing, webinars, website management & positioning, marketing collateral development, SEO, marketing automation, content writing and partner relationship management. Certifications courses in Marketing Automation tools (like HubSpot, Marketo), Google Analytics and AdWords should be offered. Also, Sales and Business Development course should be more elaborate from Indian context and current industry practices. It should include things like beat plan, ROI, channel partner selection & appointment, Net worth & working capital management, collateral & margin structures should be taught. More concentrations on domain training like Real Estate and Supply Chain, Production.	Markstrat certification course has been introduced for students Workshop on selling skills are conducted to prepare the students attitudinally for the sales profile, review their development and sharpen their selling skills. Supply Chain Management is already a compulsory subject offered in second year.
4	Practical understanding of company portfolio across sectors gives a good direction of where to be sector specific and within sectors vertical specific sessions should be conducted.	The Xquisite team prepares a snapshot of the profile of the companies visiting for campus placements which gives them an insight about the company

Institute of Management, Nirma University

Feedback Received from Stakeholders (Alumni) on Design and Review of Syllabus

Academic Year 2018-19

S. No.	Feedback	Remarks / Action Taken
1	Field experience is necessary for every domain to fill up the gap between the classroom learning and the practical applications of it.	Reinforced through summer projects and live projects.
2	Media Communication and Media Marketing can be introduced. Publicists are looking for students with knowledge and expertise in this domain.	Course on Presentation Skills introduced by MOM Page No. 3 of AC dated 29/09/2015
3	The first week should be focused on helping the students to become focused on what do they want to gain out of their MBA study instead of telling them that need to score marks to complete their course.	Enrichment Course on Career Planning and Goal Setting got introduced by MOM Page No. 3 of AC dated 29/06/2015
4	The students should be guided before he/she chooses a specialization for the Second year. Moreover, help must be provided before they choose the general as well as the specialization elective subjects.	Enrichment Course on Career Planning and Goal Setting got introduced by MOM Page No. 3 of AC dated 29/06/2015
5	The Alumni believed the students have less experience and proficiency in Excel, Analytics & Presentation Skills . They opined on making such courses a regular part of the curriculum and that too in early stages.	Course on Presentation Skills introduced by MOM Page No. 3 of AC dated 29/09/2015. Elective course "Data Analysis" under Operations Management and Information Technology specialization is introduced for 2nd Year students of MBA program; Reference of MOM Page no. 3 of AC dated 28/09/16. Specialization of "Business Analytics" introduced in MBA (Full Time); Reference of MOM Page no. 7 of AC dated 20/04/2018
6	Alumni should be contacted to provide live project opportunities to students in the areas of their interest. This will help them know the industry better and at the same time prepare them for the jobs in the same industry.	Institute has been approaching our Alumni for help in providing live projects to students in addition to contributing in placements and we have received a lot of support from them
7	They even suggested that Strategic Management should be offered as a major and minor specialization. Data Analytics was also discussed when the faculties informed the Alumni about the possibility of offering it as a specialization. It received a lot of positive reaction for this offering.	Elective course "Data Analysis" under Operations Management and Information Technology specialization is introduced for 2 nd Year students of MBA program; Reference of MOM Page no. 3 of AC dated 28/09/16. Specialization of "Business Analytics" introduced in MBA (Full Time); Reference of MOM Page no. 7 of AC dated 20/04/2018

S. No.	Feedback	Remarks / Action Taken
8	A few courses like personal finance and taxation should be included as a mandatory subject in the curriculum as their knowledge will help the students in both the corporate as well as personal scenario.	Syllabus of "Financial Statements Analysis" of Term-IV of MBA (Full Time) is revised; Reference of MOM Page no. 7 of AC dated 29/03/2016. Syllabus of "Company Accounts" of Semester-II and "Cost and Management Accounting" of Semester-III of BBA-MBA (Five Year Integrated Program) is revised; Reference of MOM Page no. 7 of AC dated 29/03/2016. Syllabus of "Indirect Taxation", Management of "Direct and Indirect Taxes" revised; Reference of MOM Page no. 3 and 4 of AC dated 27/09/2017
9	Starting with workshops on SAP and SPSS to help with the exposure to practices in the IT sector.	Credit hours of elective course "Lean Six Sigma" increased from 1.5 credits to 3 credits. Reference of MOM Page no. 7 of AC dated 29/03/2016. SPSS is now conducted as VAWS
10	There should be more workshops for the students which they can take -up voluntarily, especially in the fourth trimester. For example, there could be workshops on Data Analytics. These could help with the placements.	Credit hours of elective course "Lean Six Sigma" increased from 1.5 credits to 3 credits. Reference of MOM Page no. 7 of AC dated 29/03/2016
11	General electives like Taxation should be available for all since they could help with every specialization area. There could be a provision made like extending the credit hours for the same.	Syllabus of "Indirect Taxation", Management of "Direct and Indirect Taxes" revised; Reference of MOM Page no. 3 and 4 of AC dated 27/09/2011
12	The students should be given an industrial exposure. There should be an element in the course to interact with somebody in the industry. Such a practice may also provide opportunities for direct placements to the students. hands-on experience is a must for all students.	Students do live projects with industry which gives them exposure into the practical functioning of corporates. Industry visits are also conducted to give them a view of the corporate world.
13	Alumni suggested to include more subjects for Data Analytics and to increase the entrepreneurial spirit among the students.	Elective course "Data Analysis" under Operations Management and Information Technology specialization is introduced for 2 nd Year students of MBA program; Reference of MOM Page no. 3 of AC dated 28/09/16. Specialization of "Business Analytics" introduced in MBA (Full Time); Reference of MOM Page no. 7 of AC dated 20/04/2018

FEEDBACK FORM

Dear Recruiter,

We thank you for giving us an opportunity to receive you at our campus. We look forward to growing this relation in the future as well. In order to enhance your experience the Placement Office would like to have your feedback about the placement process. Thank you for sparing your valuable time and giving us your well-meaning suggestions, which would help us improve the placement process.

1. On a scale of 10 how would you rate your **Overall Experience** about the placement process followed by our Institute? (Please tick on the Scale)

Highly Satisfied										Highly Unsatisfactory
10	9	8	7	6	5	4	3	2	1	

Could you please highlight the prominent elements for improvement of the process?

Knowledge phase transition → moving from steps to steps should be seamless

2. How did you find the Institute's **Infrastructure**? (Please tick one)

Excellent	Very Good	Good	Average	Poor
	✓			

3. What are the criteria for short-listing of a student? Rate the following in terms of priority giving 5 to the most important & 1 to the least: (Please tick)

Criteria	5	4	3	2	1
Academic Performance			✓		
Analytical Skills	✓				
Communication Skills		✓			
Work Experience				✓	
Academic Background			✓		
Extracurricular Performance			✓		
Drive to achieve	✓				
Self Confidence	✓				

If any other, please specify:-

4. What **academic background** do you prefer for your organization? (You may tick more than one)

none

a) Commerce b) Arts c) Engineering [Branch _____]
 d) Science e) If any other, please specify:

5. Please suggest course(s) that you require students to be thorough with?

-Excel

→ Statistics

6. Do you think an MBA with experience should be given preference at the time of placement?

a) Yes b) Uncertain c) No

If yes, what kind of experience is desirable (considering your organization) & what should be the duration of experience?

7. How much weightage is given to summer project during final placement selection?

High

Low

10	9	8	7	6	5	4	3	2	1
----	---	---	---	---	---	---	---	---	---

8. Rate the students, on an average, on the following dimensions on a scale of 1-10 (10 being highest):

Sr.No	Dimension	Rating
A	Conceptual Clarity	6
B	Technical Skills (Ability to use tools & technologies)	4
C	General Business Awareness	4
D	Communication Skills (Language & effectiveness in conveying ideas)	6
E	All-round Development	6
F	Attitude (Enthusiasm, Flexibility & Energy)	7

9. Additional observations or suggestions that you would like to share with us:-

Thank You

Suggestions:

Relevance of curriculum in your Job:

In HR 3 subjects were of paramount importance - Job evaluation/compensation, Industrial Relations, OB.

It would be good to make it mandatory to have atleast one industry veteran (currently employed) to take a few hours lecture.

Need any change in curriculum and syllabi:

Curriculum was comprehensive. We need to increase the sessions taken by people currently working in a corporate environment for specific subjects so that current applications of subjects may be appreciated.

Improvements in teaching and learning Process:

More industry exposure is necessary. Not necessarily a summer internship, but as a short stint.

This would be similar to the TISS model.

Have you learned the basic concept through your Project?

My project was more technical and analytics based. It tried to use statistical models to prove relationship between Superior & Subordinate and the inherent biases

Any other suggestions/comments:

Include some sessions on 'Career Counselling'. This can help students understand how to shape their careers once into the jobs. Overall it was a highly gratifying experience to study at NMU. This place is going to be a part of my life forever and I am truly prod of it. The warm relationship with the professors is a great treasure.

Suggestions:

Relevance of curriculum in your Job:

I changed the fields after leaving the college but I still think that if I had taken finance subject it could have help.

Need any change in curriculum and syllabi:

Need to add topics like social media marketing, ethics in finance.

Improvements in teaching and learning Process:

Have you learned the basic concept through your Project?

Yes I thing projects in retail and retail marketing & service mktg too helped me during my sales stint

Any other suggestions/comments:

have more industry interactions send students in small tasks like helping companies to organise walk in interviews etc. It will help them in the long run.

Suggestions:

- Relevance of present curriculum in the Job / Sector :

More subjects focused on start-ups - (Tech, Fintech, HR et al)

- Need any change in curriculum and syllabi : (refer curriculum)

More Industry Connect related activities - Visits, real-time & a close interaction with alumni discussing day-to-day challenges at work environment.

- Improvements in teaching and learning Process:

- How important are certification courses in terms of employability (Please suggest some certification programs pertaining to the sector / field you are serving).

PMP certification (for experienced professionals)

Six Sigma

- Any other suggestions to improve alumni outreach activities and overall quality of the Programme:

Suggestions:

- Relevance of present curriculum in the Job / Sector :

Digital Marketing & Rural Marketing courses are helping to connect with the corporate world specially in financial marketing domain ; FSA is useful for finance analytics profile specially working for competitor profiles.

- Need any change in curriculum and syllabi : (refer curriculum)

✓ Valuation course should be given more relevance & shifted to term IV because that's the minimum knowledge company expects from a finance major student.

✓ Excel course should be made mandatory for all students.

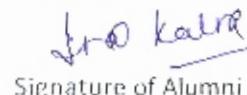

- Improvements in teaching and learning Process:

- How important are certification courses in terms of employability (Please suggest some certification programs pertaining to the sector / field you are serving).

Excel Basic & Professional courses are very important irrespective of sector / field / subject / domain since the era is moving towards digitalization & AI, data analytics.

- Any other suggestions to improve alumni outreach activities and overall quality of the Programme:
