

WE ARE HIRING

Open Positions :

- Junior Research Fellow (JRF)

Qualifications :

First class Master/Bachelor Degree in Chemical Engineering/ Polymer Technology/ Plastic Engineering/ Master in Polymer Chemistry and related fields

Desirable Skills:

Experience in polymer synthesis, Polymerisation techniques, knowledge of esterification and condensation polymerization is preferable, knowledge of blown film plant, Polymer analytical techniques, and material modeling and simulation software.

Project Title:

- Biopolymer Multilayer Barrier Films

Project Duration:

- 1 Year

Funding Agency:

- GUJCOST

Monthly Stipend:

- ₹ 25000/-* + HRA
(NET/GATE candidates)
₹ 18720/-
(Non NET/GATE candidates)
