

## *Pre-conference workshop (Virtual) on "Pharmacovigilance"*

**16/02/2022 (Wednesday)**

**Jointly Organized by  
Nirma Institute of Pharmacy International  
conference (NIPiCON) and  
Indian Pharmacological Society  
(IPS)**

### **Nirma University**

Nirma University was established by the initiative of the NIRMA EDUCATION AND RESEARCH FOUNDATION (NERF) in the year 2003. The University is duly accredited by National Assessment and Accreditation Council (NAAC) with "A" Grade. The University consists of Faculty of Technology and Engineering, Faculty of Management, Faculty of Pharmacy, Faculty of Law, Faculty of Science, Faculty of Architecture and Faculty of Doctoral Studies and Research.

### **About Institute of Pharmacy**

Institute of Pharmacy was established in the year 2003 under Nirma University with the aim of developing able professionals in the field of pharmaceutical sciences. Institute has been ranked 20 in India Ranking 2021 by Ministry of Human Resource Development, (MHRD), Government of India in its National Institutional Ranking Framework (NIRF). Institute of Pharmacy is ranked FIRST in GSIRF-2021 rankings by Govt. of Gujarat and the only Pharmacy institute in Gujarat with CGPI 4.8 from 5. The Institute offers B. Pharm, M. Pharm, Full time and Part-time Ph. D and postdoctoral programme. The B.Pharm. programme is accredited by National Board of Accreditation for three years (2019-2022). The Institute has more than 9.0 crore rupees grant from government agencies and has collaboration with various research centers, industries and institutes in India and abroad.

### **About Indian Pharmacological Society (IPS):**

The Indian Pharmacological Society (IPS) was founded in 1969 at Patna with main objectives to integrate pharmacology in medical education and to work for all round development of pharmacology. IPS is ranked among the five largest pharmacological societies of the world. It has a network of branches. They are also actively involved in promoting awareness of recent developments in frontal areas of science as well as

organize symposia, conferences and special lectures in the discipline of pharmacy and pharmacology.

### **Objective of the Programme**

The workshop will provide an overview of pharmacovigilance in India, ADR, Causality assessment and recent update in the field of pharmacovigilance.

### **For Whom**

This workshop is best suited for researchers, students, and faculty members from various disciplines of life sciences and health sciences. It is also useful for the pharmaceutical industry and CRO professionals.

### **Course Registration Fees**

Registration fees are INR 100/- (Including GST)  
The course materials will be provided to all the participants. Registration charges are non-refundable.
