

Nirma University

Nirma University was established by the initiative of the NIRMA EDUCATION AND RESEARCH FOUNDATION (NERF). The University was established in the year 2003 as a statutory university under a special act passed by the Gujarat State Legislative Assembly. It is recognized by the University Grants Commission (UGC) under Section 2(f) of the UGC Act. The University is duly accredited by National Assessment and Accreditation Council (NAAC) with "A+" Grade. The University is a member of Association of Indian Universities (AIU) and the Association of Commonwealth Universities (ACU).

Functioning under the aegis of NERF, the University consists of Institute of Technology, Institute of Management, Institute of Pharmacy, Institute of Law, Institute of Science, Institute of Architecture and Planning, Institute of Commerce, Institute of Design, Institute of International studies.

The University is identified with cutting edge research, robust academic programmes, quality teaching learning process and over-all personality development interventions of its students. The 115 acres sprawling state of art campus provides refreshing environment and stimulates intellectual growth and creativity.

About Institute of Pharmacy

Institute of Pharmacy was established in the year 2003 under Nirma University with the aim of developing competent professionals in the field of pharmaceutical sciences. In a short span of time, it has become one of the leading institutions in the country, offering pharmaceutical education at the undergraduate, postgraduate, doctoral and postdoctoral level. The Institute has been ranked 37th in National Institutional Ranking Framework (NIRF) by the Ministry of Human Resource and Development (MHRD), Government of India in the year 2024. The institute of Pharmacy is ranked 1st in GSIRF-2024 ranking by Government of Gujarat. The B. Pharm programme is accredited by National Board of Accreditation for three years (2022-2025). To achieve the objectives, vision and mission of the institute were also defined in line with the

University's vision and mission. The Institute has also defined its programme educational objectives and programme outcomes. The Institute has received grants from government agencies and has collaboration with various research centers, industries and institutes in India and abroad.

The Institute houses state-of-the-art instruments, like Supercritical Fluid Extractor and Chromatogram, HPTLC, HPLC, MPLC, GC, Fluorescence Spectrometer, Raman Spectrometer, UV-VIS-NIR Spectrophotometer, FTIR, DSC, ELISA, PCR, Electrophoresis, Texture Analyzer, Automated Dissolution Apparatus, Extruder-Spheronizer, Multiple Diffusion Assembly, High Pressure Homogenizer, Particle Size Analyzer, Microwave Synthesizer, Stereotaxic apparatus with Micro dialysis, etc. software like eCTD and QbD.

About Centre for Continuing Education

Nirma University has established a Centre for Continuing Education with the following objectives:

- To provide Need based Continuing Education, Knowledge, Training etc. in various fields to all stakeholders.
- To assist working professionals in the industry in widening their knowledge base and in improving their skills.
- To arrange Workshops, Lectures, Seminars, Services, on requests.
- To identify employment potential areas and to conduct competency based skilled development programme.
- To conduct Vocational Training to meet the specific needs of industrial businesses.
- To conduct short duration and long duration programmes in Management, Engineering and Technology, Pharmacy, Science, Law and Architecture.
- To conduct Training Programme for Competitive Examinations.
- To coordinate the continuing education programme offered by various Institutes at the University level.

Seminar and Workshop on “eCTD Submission Requirements: Recent Global Regulatory Updates and Best Practices”

17th February 2025 (Monday)

Programme Coordinators

Dr. Priti Mehta, Professor

Dr. Charmy Kothari, Associate Professor
