INTERNATIONAL CONFERENCE

PharmSciCon 2027

January 28 - 30, 2027

Molecular Sciences and Therapeutic Innovation:

Connecting Microbial Research, Drug Development and Translational Science

Date: _____

Subject: Invitation to Partner as Knowledge Partner for PharmSciCon 2027

Dear Sir/Madam,

Greetings from Nirma University, Ahmedabad.

Nirma University, established under The Nirma University of Science and Technology Act, 2003, a special act passed by the Gujarat State Legislative Assembly by the initiative of the Nirma Education & Research Foundation (NERF), is a value-driven, research-oriented and student-centred institution committed to academic excellence and innovation. Nirma University is recognized by the UGC under section 2(f) of the UGC Act and accredited with Grade "A+" by NAAC in 2022. Its Institute of Pharmacy and Institute of Science bring together complementary expertise across pharmaceutical sciences, microbiology, biotechnology, molecular biology and related fields.

On behalf of Nirma U niversity, we are pleased to invite your esteemed organisation to be a Knowledge Partner for PharmSciCon 2027, an international conference jointly organised by the Institute of Pharmacy and the Institute of Science, Nirma University, from 28–30 January 2027.

The conference theme is **"Molecular Sciences and Therapeutic Innovation: Connecting Microbial Research, Drug Development and Translational Science."** The conference will provide an interdisciplinary platform for academicians, researchers, industry professionals, clinicians, healthcare experts and young scientists to exchange knowledge, showcase emerging research and foster collaborations across microbial research, molecular sciences, drug development, therapeutic innovation and translational science.

The scientific programme will encompass emerging developments in microbiology, molecular biology, antimicrobial resistance, biotechnology, medicinal chemistry, computational drug discovery, pharmaceutical sciences, advanced drug delivery, natural products, emerging therapeutics, clinical sciences and regulatory science. Through plenary and keynote lectures, scientific sessions, oral and poster presentations, panel discussions and networking opportunities, PharmSciCon 2027 aims to strengthen the pathway from scientific discovery to therapeutic innovation and patient-centred healthcare.

The Institute of Pharmacy and the Institute of Science collectively offer a multidisciplinary research ecosystem supported by specialised laboratories, advanced analytical and biomedical facilities, and expertise spanning

Molecular Sciences and Therapeutic Innovation:

Connecting Microbial Research, Drug Development and Translational Science

pharmaceutical, molecular, microbiological, biotechnological, computational and translational research. Their combined capabilities provide a strong basis for academic–industry engagement and collaborative scientific initiatives.

As a Knowledge Partner, your organisation would be invited to contribute to the conference's academic and scientific objectives through knowledge-sharing initiatives, expert inputs, promotion of participation and engagement with the organising team. The attached Terms of Reference outline the anticipated responsibilities and benefits of the partnership.

We would be honoured to have your organisation associated with PharmSciCon 2027. We kindly request you to review the enclosed Terms of Reference and, if agreeable, complete and return the Acceptance Letter along with your organisation's high-resolution logo in PNG format.

For further information, please contact the Convener, Dr. Gopal Natesan, at **convener.pharmscicon@nirmauni.ac.in**, or the Organising Secretaries, Dr. Vijay Kothari and Dr. Dhaivat Parikh, at **os.pharmscicon@nirmauni.ac.in**.

We look forward to your positive response and to the opportunity to work together to make PharmSciCon 2027 a successful and meaningful scientific event.

Sincerely,

Dr. Vijay Kothari

TERMS OF REFERENCE (ToR) FOR KNOWLEDGE PARTNERS

1. Purpose of the Knowledge Partnership

The Knowledge Partner will collaborate with the conference organisers to support the academic, scientific and outreach objectives of PharmSciCon 2027. The partnership is intended to encourage knowledge exchange, wider participation and collaboration among academia, research organisations, industry and healthcare professionals.

2. Roles and Responsibilities

1. Function, where appropriate, as a member of the conference committee and contribute to relevant planning activities.
2. Promote participation by faculty members, researchers, students and other members of the partner organisation or its professional network.
3. Disseminate conference announcements and updates through suitable institutional, professional and communication channels.
4. Participate in conference planning meetings, in person or online, and undertake reasonable preparatory work related to programme development.
5. Provide suggestions for scientific sessions, educational activities, panel discussions and networking opportunities that align with the conference theme and available budget.
6. Recommend suitable speakers, presenters, facilitators, experts or potential industry and agency sponsors, where appropriate.
7. Maintain the confidentiality of programme-development information and other non-public information unless disclosure is authorised by the organising committee.
8. Nominate relevant academic staff or organisational representatives to engage with the conference committee, as mutually agreed.

3. Benefits of Being a Knowledge Partner

1. Opportunity to propose or lead one or more sessions in the name of the partner institution, university or research group, subject to mutual agreement and programme approval.
2. Option to recommend invited or plenary speakers. Any travel, accommodation or other expenses for speakers proposed by the Knowledge Partner will be the responsibility of the partner organisation unless otherwise agreed in writing.

3. Opportunity to recommend prospective industry or agency sponsors to the organising team.
4. Invitation to the conference networking reception, providing an opportunity to interact with delegates and invited experts.
5. Invitation to participate in the official opening ceremony.
6. Display of the partner organisation's logo in the conference's advertising and promotional campaign, including electronic mailers and other conference publicity, as applicable.
7. Logo placement in event advertisements and on the conference backdrop, subject to production timelines and applicable design requirements.
8. A hyperlink to the partner organisation's website from its logo on the official conference website, where technically feasible.
9. A certificate acknowledging the organisation as a Knowledge Partner.

4. Coordination and Acknowledgement

The Knowledge Partner and the organising team will coordinate the activities and deliverables mutually agreed upon. Session proposals, speaker recommendations, promotional materials and logo use will be subject to coordination with and approval by the conference organisers. The partnership does not imply a financial commitment unless separately agreed in writing.

For coordination:
Convener – convener.pharmscicon@nirmauni.ac.in | Organising Secretaries – os.pharmscicon@nirmauni.ac.in

KNOWLEDGE PARTNER ACCEPTANCE LETTER

To
The Convener,
PharmSciCon 2027
Nirma University, Ahmedabad, Gujarat, India

Subject: Acceptance of Invitation to be a Knowledge Partner for PharmSciCon 2027

We, _____ [name of the institution/organisation], hereby accept the invitation to be a Knowledge Partner for PharmSciCon 2027, jointly organised by the Institute of Pharmacy and the Institute of Science, Nirma University, from 28–30 January 2027, on the theme "Molecular Sciences and Therapeutic Innovation: Connecting Microbial Research, Drug Development and Translational Science."

We agree to collaborate with the conference organisers in promoting the conference among our members and relevant professional networks and to support the activities mutually agreed upon in accordance with the Terms of Reference for Knowledge Partners. We understand that any specific financial commitments, if applicable, will be subject to separate written agreement.

We confirm our acceptance of the role and the applicable Terms of Reference and look forward to contributing to the academic and scientific success of PharmSciCon 2027.
