Nirma University

Nirma University, Ahmedabad, established as a statutory university in 2003, is recognized by the University Grants Commission (UGC) under section 2(f) of the UGC Act. The University has also been accredited with an 'A' grade by the National Assessment and Accreditation Council (NAAC) and recognized as 'Centre of Excellence' by the Government of Gujarat.

Nirma University consists of the Faculty of Technology, Faculty of Management, Faculty of Pharmacy, Faculty of Science, Faculty of Law, Faculty of Architecture & Planning, Faculty of Commerce, Faculty of Design and Faculty of Research and Doctoral Studies. The graduate, post-graduate, and doctoral programmes offered by the University are rated highly by the accreditation agencies, industry, business magazines, and students.

Innovation, quality and excellence are the driving forces of Nirma University, which have translated the vision of the University into reality. Today the campus is energized by teaching/learning and research, along with myriad activities like international conventions, symposia, conferences, student competitions, conclaves, short-term industry-relevant programmes, cultural activities and the like.

About the Institute of Law

Founded on the vision of Dr. Karsanbhai K. Patel, the Institute of Law, Nirma University (ILNU), established in 2007, focuses on bringing about a paradigm shift in the delivery of legal education in the country. It aims to add newer dimensions in legal education that would incorporate international standards and provide an environment for innovation and dynamic scholarship. Embodying the principles of justice education, excellence, and professionalism, ILNU imparts quality legal education that has produced new generation lawyers, leaders, and policymakers over the years.

Internationalization at the Institute of Law

The global vision marks the ever-increasing international academic alliances of ILNU with subject experts and universities. Multidisciplinary approach and comparative pedagogy form the crux of our global vision. Each year the international dignitaries come to ILNU as Visiting Faculty and engage in teaching-learning activities spreading over five weeks. The Institute celebrated International Teaching Month in the month of February in 2021 and 2022 wherein more than 40 sessions were conducted on diverse subjects by faculties and experts from various countries around the world.

The faculty and student exchange and research collaboration programmes have been initiated between ILNU and the following universities:

- Penn State Law University, USA
- Hof University, Germany
- University of Wyoming, College of Law
- Strathmore University, Kenya
- University of Johannesburg, South Africa
- Financial University under the Government of the Russia Federation, Moscow, Russia
- Comillas University, Spain
- University of Szeged, Hungary
- Ulster University, U.K.
- Coventry University, U.K.
- Masaryk University, Faculty of Law, The Czech Republic

The Campus

The Institute of Law is located in the Nirma University campus which is on the Sarkhej-Gandhinagar Highway. A 110 Acre Sprawling Campus in picturesque surroundings provides a refreshing environment stimulating intellectual alertness and creativity.

Pedagogy

ILNU relies on a combination of pedagogical tools to provide an environment conducive to learning. The curriculum offers opportunities for learners with different aptitudes and promotes self-learning. Our Faculty members not only keep abreast of the recent developments and research in their respective fields but also regularly involve students in research-based learning. This is reflected in the research output, i.e. publications and conferences that our faculty contributes to. The Institute of Law has identified significant domains of interdisciplinary knowledge relevant to legal studies.

The Academic Research Centres under the supervision of faculty members with proven knowledge and expertise in each of these domains of knowledge facilitate intensive learning and research. Further, there is an emphasis on application of theory where students apply their conceptual knowledge to legal issues and problems. To enable the students to gain a better insight into the working of the legal profession, a practical work component has been added to all the courses.

Innovation in Curriculum

- Establishment of Legal Incubation Centre
- Exclusive skill Labs for life-skills acquisition
- Enhancement of practical and experiential learning through specially designed clinical courses
- Customized courses on professional training based on the career choice of students
- Foreign language courses for international exposure
- Expert training in research methodology and publication
- Clinical pedagogy with a practical approach
- Emphasis on academic orientation along with systematic internship training programmes with credit in each semester
- Interaction with renowned lawyers, judges, law teachers and scholars
- Student Mentorship Services

Placements

Corporate Interaction & Industry Exposure

The CRC (Campus Recruitment Cell) draws its strength and enthusiasm to work from the trust placed by the students in it. The CRC acts as a facilitator and medium between the prospective recruiters and the students. The Students and faculty members along with Managers-Corporate Relations are actively involved in the placement process. The Committee ensures a transparent, trustworthy and accountable liaison between the prospective recruiters and the students. The Committee understands the needs of the students as well as the market and is determined to cater to the best to both.
