About Centre for Corporate Law Studies, ILNU

The Centre for Corporate Law Studies is an initiative of the Institute aimed at institutionalizing and channelizing research on corporate and business related aspects that take place nationally as well as globally. The Centre looks to give a necessary impetus by inculcating an outlook amongst those future corporate professionals to question the various aspects of business and its interplay with society.

About the Journal

Centre for Corporate Research Law Journal (CRLJ), an open access, annual, peer reviewed journal is an initiative by Centre for Corporate Law Studies at Institute of Law, Nirma University. The intricacies of corporate world have grown manifold times with the developments taking place every hour at the national and international level. The globalization web requires corporate businesses to not just be limited to Company and its allied laws, rather have a holistic understanding from environmental, social and cultural level as well. The Centre has taken up several initiatives in the form of publications, debates and regular interactions to keep pace with this dynamic era.
