

Vision

Shaping a better future for mankind by developing effective and socially responsible individuals and organisations.

MISSION

The Institute of Law emphasises the all-round development of its students. It aims at producing not only good professionals but also good and worthy citizens of a great country, aiding in its overall progress and development. It endeavours to treat every student as an individual, to recognise their potential and to ensure that they receive the best preparation and training for achieving their career ambitions and life goals.

QUALITY STATEMENT

To develop high-quality professionals who reflect and demonstrate the values that the university stands for, through innovation and continuous improvement in the facilitation of learning, research and extension activities.

Core Values

The Institute is driven by certain values that it believes in and observes in its day-to-day functioning. Some of the core values of the Institute are:

- Student Centricity
- Contribution to Society
- Quest for Academic Excellence

Nirma University

Nirma University, established as a statutory university in Ahmedabad in 2003, is recognised by the University Grants Commission (UGC) under section 2(f) of the UGC Act. The National Assessment and Accreditation Council (NAAC) has accredited the university with an 'A+' grade, and the Government of Gujarat has recognised it as a 'Centre of Excellence'. Innovation, quality, and excellence are the driving forces of Nirma University, which fulfill its founding vision.

The University has a vibrant academic life, nurtured through rigorous teaching/ learning, and research. International conventions, symposia, conferences, student competitions, conclaves, and short-term industry-relevant programmes enrich the academic culture of the University. Socially useful interventions, co-curricular and extra-curricular activities, cultural events, and artistic expressions further enliven the University, contributing to the holistic development of the students.

Nirma Education and Research Foundation

Nirma Education and Research Foundation (NERF) was established as a Trust in 1994 by the renowned industrialist and philanthropist, Dr. Karsanbhai K. Patel, to promote and support higher education in India, which is a stellar example of his commitment to the needs of society.

Nirma Institute of Technology (NIT) was the first institution set up by the NERF in 1995, offering undergraduate programmes. The Institute expanded, incorporating postgraduate and doctoral-level programmes to provide world-class engineering education and inculcate the spirit of social relevance among young students in Gujarat. NERF established several Institutes over the years, including the Nirma Institute of Management (1996), the Institute of Pharmacy (2003), the Institute of Science (2004), the Institute of Law (2007), the Institute of Architecture and Planning (2014), the Institute of Commerce (2016), and the Institute of Design (2017).

About the Institute of Law

The Institute of Law at Nirma University (ILNU) aims at a paradigm shift in the delivery of legal education in the country. Founded in alignment with the vision of Dr. Karsanbhai K. Patel in 2007, the Institute of Law adds newer dimensions to legal education, mindful of international standards and providing an environment for innovation and dynamic scholarship. Focused on the principles of justice, excellence, and professionalism, the Institute of Law imparts quality legal education that has produced lawyers, leaders, and policymakers who have carved a distinct niche in the legal domain over the years.

NIRF Ranking

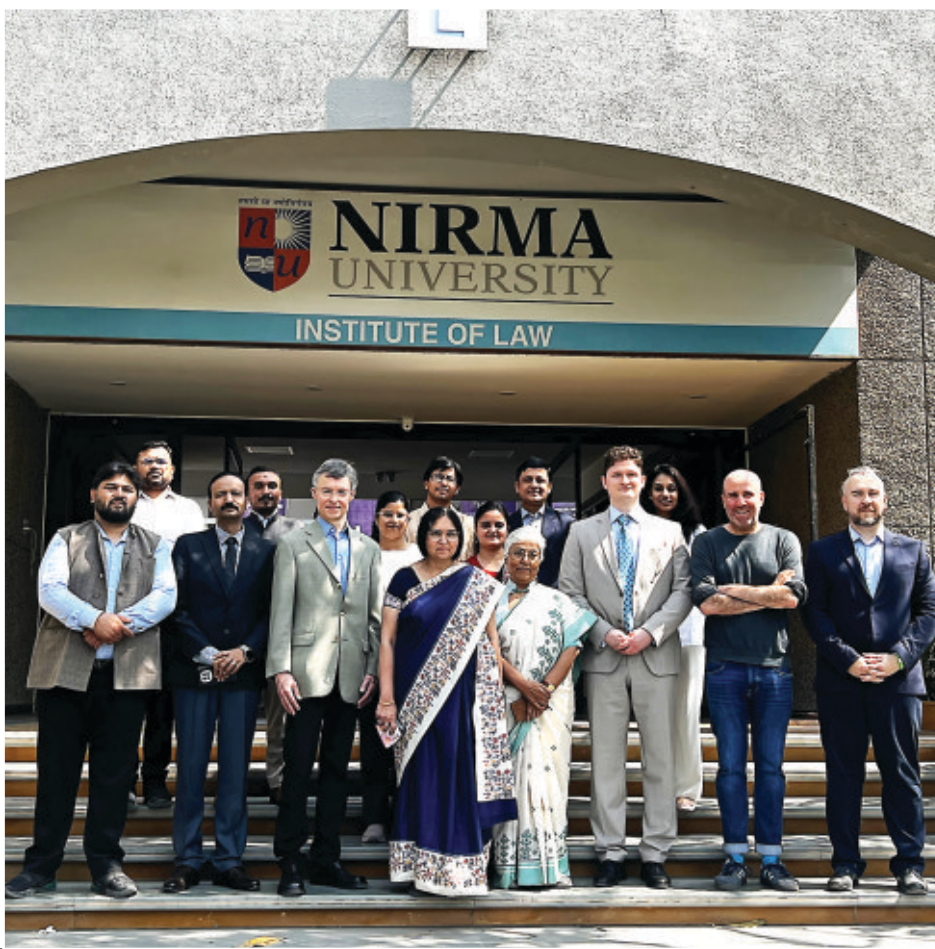

The Institute of Law is ranked 33rd by the National Institutional Ranking Framework (NIRF), by the Ministry of Education, Government of India.

Internationalization at the Institute of Law

Our global vision is reflected in the ever-expanding international pedagogy, forged through academic alliances with subject experts and universities worldwide. A multidisciplinary approach and comparative pedagogy form the core of this vision. Each year, the Institute of Law welcomes international dignitaries as Visiting Faculty, who engage in teaching/learning activities spanning five weeks.

The Institute's Annual International Teaching Programme, conducted during the even semester, facilitates intensive academic dialogues. As part of this well-structured programme, faculty members and experts from various countries deliver more than 50 talks on relevant subjects.

The faculty and student exchange and research collaboration programmes have been initiated between ILNU and the following universities:

 Penn State Law University, USA	 Hof University, Germany
 University of Johannesburg, South Africa	 Financial University under the Government of the Russia Federation, Moscow, Russia
 University of Wyoming, College of Law	 Strathmore University, Kenya
 Comillas University, Spain	 Masaryk University, Faculty of Law, The Czech Republic
 University of Szeged, Hungary	 Ulster University, U.K.
 Coventry University, U.K.	

The Campus

The Institute of Law is situated in the Nirma University Campus, located on the Sarkhej-Gandhinagar Highway. Spanning over 120 acres, this campus provides an ideal environment that stimulates intellectual alertness and creativity. The green, energy-efficient, and Wi-Fi-enabled campus is designed to meet the academic and co-curricular needs of students.

Nirma University Campus has a gymnasium, an indoor sports complex, and playgrounds for recreational activities and sports events. The Campus canteens and cafeterias provide hygienic and healthy vegetarian food. Nirma University provides efficient healthcare and counselling services on campus, mindful of the physical and mental wellness of students and employees. A well-organised transport service facilitates effortless daily commuting.

Ensuring Students' Safety and Wellbeing on the Campus

The measures taken by the Institute of Law to ensure the security of the students and employees on the campus are manifold. The campus is an alcohol and tobacco-free zone, with guards and surveillance cameras ensuring round-the-clock security. The hostels offer safe and comfortable residential facilities for students under the supervision of wardens and the faculty-in-charge. We offer guaranteed on-campus accommodation to all women students. Students can discuss their problems and concerns with their assigned faculty mentors, who conduct regular formal and informal meetings and are accessible by phone and email.

The Institute of Law follows a zero-tolerance policy towards ragging and sexual harassment under the policies adopted by Nirma University. The Institute has an Anti-Ragging Committee and an Anti-Ragging Squad to ensure compliance with the relevant legal regulations and to prevent ragging on the campus and in the hostels. The students are regularly sensitised on the norms concerning what constitutes ragging and how to seek redressal. Members of the faculty make frequent visits to the hostels and talk to the students to find out whether there are any incidents of ragging. Similarly, events focusing on the prevention of sexual discrimination and harassment are organised from time to time to generate awareness among the students, faculty, and staff. Nirma University has a rigorous system in place for the prevention, prohibition, and redressal of sexual harassment.

Pedagogy

The Institute of Law relies on a combination of pedagogical tools to provide the students with an efficient and scientific learning environment. The teaching/learning strategy targets the expansion of knowledge, skills, and aptitudes in a manner that leads to tangible outcomes. The courses offered aim at a holistic development of the cognitive, critical, creative, and practical abilities of the students. Evaluation methods are designed with a view to perceptively assessing the learning outcomes and skills acquired.

The students and members of the faculty publish regularly on diverse platforms, including blogs, newspapers, magazines, and journals. The Institute of Law has identified significant domains of interdisciplinary knowledge relevant to legal studies and continues to explore these interfaces through its academic events and publications.

The Academic Research Centres, under the supervision of faculty members with proven erudition and proficiency in each of these domains of knowledge, facilitate rigorous learning and research. To enable the students to gain a better insight into the workings of the legal profession, a practical work component has been added to all the courses.

Library and Reading Rooms

Keeping in mind the domains of academic scholarship and research interests, the library of the Institute of Law has a collection of over 15000 volumes covering a wide range of general and specialised subjects, consisting of textbooks, reference books, journals, reports, and legal periodicals. The library subscribes to relevant journals and databases. It is an open-access library that provides facilities like reading rooms and spaces for discussion.

Innovation in Curriculum

- Exclusive Skill Labs for life-skills acquisition
- Enhancement of practical and experiential learning through specially designed clinical courses
- Foreign language courses for international exposure
- Student mentorship
- Legal-Aid Clinic and extension activities
- Innumerable opportunities to participate in National and International academic events, competitions, moot courts, etc.

Scholarships

- Scholarships to meritorious students under the Merit and Merit-Cum-Means based scheme are available. Please visit the website for the latest information and instructions about the application process. <https://law.nirmauni.ac.in/admission-aid/financial-aid/scholarships/>

Beyond the Classroom

Institute of Law believes that while sound academic scholarship and research exposure are important, students need manifold opportunities for honing their skills. The Institute has consciously included extension activities focusing on students' social awareness and responsibilities. The Institute creates occasions for nurturing the literary and artistic talents of the students through committees and events. Students are encouraged to participate in relevant moot court and debate competitions. Conferences, Seminars, Workshops, Symposia, Panel Discussions, Annual Lecture Series, and Expert Sessions that focus on major areas of legal scholarship, Cultural, Sports, and Literary events, and active NSS and NCC Units make the learning experience of the students meaningful and vibrant.

Corporate Interaction and Industry Exposure

Objectives

1. Job Placement and Internships: To secure job opportunities and internships for students.
2. Industry Collaboration: To build and maintain relationships with various companies for recruitment and collaborations on academic fronts.
3. Skill Development: To enhance students' employability through training programmes, workshops, and seminars.
4. Alumni Relations: To develop a strong network to facilitate guest lectures, sessions, jobs, and internships by our Alumni.

New Initiatives by the Campus Recruitment Cell

- Mock Interview and Counselling Sessions: To give a preview and a realistic simulation of what an actual interview with potential employers is like, one-to-one mock sessions are organised for pre-final year which especially focus on each student's area of interest and competence. These interviews are followed up by an individual feedback and counselling session.
- Professional and Academic Competency Test (PACT): A unique programme for the final year where students are evaluated on the core five subjects of law: Constitutional Law, Criminal Law, Contract Law, Corporate Law, and Intellectual Property Rights. The students face a panel of four experts who evaluate students based on the above five subjects and suggest the most suitable career options for the candidate. Through this programme, the students are also able to focus on the subjects they are weaker in, and the Institute can also undertake workshops, trainings, and sessions on the subjects that are suggested by the panel members.
