

Date: 10/02/2025

To,

Dr. Narasimha Reddy Ravuru - Principal Investigator
Assistant Professor,
Department of Chemical Engineering
Institute of Technology, Nirma University

Dear, Dr. Narasimha Reddy Ravuru,
UID: ITNU/2025-2026/164

With pleasure, I would like to inform you that the Director General, NU has approved your Minor Research Project titled "Hydrogen production by team reforming process using different feed stocks." The financial assistance of 1,00,000/- is sanctioned under budget E1A43F for financial year 2025-2026 for Institute of Technology. The period will start from 1st April 2025.

The unique (UID) must be quoted on all future communication with DRI and Account Section. The Principal Investigator must make an of UID of the RPMS portal. The Accounts section shall maintain the record by using the same UID.

The Principal Investigator & Co-Principal Investigator must take care of following points.

- (i) Submission of at least one research paper in a SCOPUS indexed journal. The paper must be submitted to the journal within one year after the completion of the project and the same must be intimated to the DRI.
- (ii) Involvement of UG/ PG Students in relevant activities of the research project.

You will be governed by the NU prescribed Minor Research Project guidelines and the conditions as below:

1. You will complete the Project by 31st March 2026. No case extension will be granted.
2. Adhere to the financial assistance is as below mentioned budget head:

Budget Head	Amount Sanctioned
Equipment and Accessories	20,000/-
Hiring Services	40,000/-
Chemical, Glassware and Consumables	40,000/-
Total	1,00,000/-

3. For monitoring the progress of the Minor Research Project, it is also required to have progress report by the end of every six months. Further release of reimbursement / grant will be subject to submission of the progress report. The report is to be submitted to the Director General, NU (through proper channel) after examination of the same by the Committee (constituted at institute level at the time of submitting the proposal).

4. On completion of the project, the PI will prepare a Final Projector Report and submit the same to DRI maximum within one month from the project completion date.

This is for your information and further action.

Director (DR&I)
