The robust synergy of various committees such as the Placement Committee, Student Advisory Committee (SAC), Sports Committee, Website, Media and Corporate Communication Committee, Cultural Committee etc. help IMNU in attaining the best overall performance in Academic, Co-curricular and Extracurricular activities.

CLUBS

The Institute strongly believes in experiential learning of its students. The students are exposed to hands on training through the platforms of various functional area clubs. These students managed clubs meet weekly and organize workshops, training programmes, interactive games, competitions, guest lectures etc. throughout the year to fulfil the insatiable need of the budding managers. It is intended for students to have the most fruitful five years of their lives during their five years on college. We undertake this responsibility through various clubs and committees oriented towards holistic development of students. These clubs and committees are: Student Advisory Committee, Media Committee, Abhivyakti – the Cultural Committee, 'Mavericks' - the Social Committee, 'Khelnayak' - the Sports Committee, 'Revista' - the BBA Magazine & Book Committee, Placement committee, 'Ritayan' - the Music & Dance Club, 'Thespians' - the Dramatic Club, 'SpinShot' - the Photography Club, 'Deja View' – the Movie Club and National Social Service Scheme.

Co-curricular Activities

The IMBA programme strives to ensure a more well-rounded development of students with one of its focus being the co-curricular activities provided by its various clubs and committees. The AdityaVat Committee stands as a cornerstone in fostering holistic development among students. Committed to empowering academic and professional excellence, the committee organizes a variety of events such as Aayam, The Business Fest, and Aarohan, The BBA Conclave. Through these initiatives, students transcend the confines of textbooks, delving into real-world applications and gaining practical insights that fortify their educational journey. The platform nurtures diverse interactions, ensuring a robust understanding of theoretical concepts coupled with invaluable practical implications, laying a foundation for students to flourish in their respective domains. Complementing this initiative, the 'Vichardhara' Club, synonymous with spirited debates and engaging quizzes, emerges as a beacon for honing students' knowledge and communication skills. It serves as an avenue where intellectual prowess finds expression and where students unveil their depth of understanding while honing their abilities to articulate thoughts effectively.

SDG – Handprint Lab

Institute has a tie up with Centre of Environmental Excellence (CEE) for a certificate programme SDG Handprint Lab which works towards the adopting the 2030 agenda for sustainable development- an ambitious plan of action with 17 sustainable development goals and 169 targets all aimed at a universal, integrated and transformative vision for a better world. The programme is designed to enable youth to become active participants in achieving sustainable development through a higher education curricular programme which empowers students in critical thinking, research, developing innovative solutions and taking handprint action, through engaging with the community. The programme challenges the students to understand the SDGs and targets, relate it to issues of selected geographic area and think of solutions and handprint actions that could lead to achievement of sustainable goals/targets in that area. A field visit to rural/slum areas is organized for students with the CEE team to identify the gap where SDG goals can be implemented.
