

Nirma University

Nirma University, Ahmedabad is **NAAC A+ Accredited**, and established as a statutory university in 2003 (amended in 2006) under a special act passed by the Gujarat Government. The University Grants Commission (UGC) has recognized Nirma University under Section 2(f) of the UGC Act.

Nirma University consists of Faculty of Technology, Faculty of Management, Faculty of Pharmacy, Faculty of Science, Faculty of Law, Faculty of Design, Faculty of Commerce, Faculty of Architecture & Faculty of Research, and Doctoral Studies. The graduate, postgraduate, and doctoral level programmes offered by these faculties are rated highly by accreditation agencies, industry, business magazines, and students.

Innovation, quality, and excellence are the key driving forces of the programme that have translated the vision of these institutions into a reality over a short span of time. The campus vibrates with curricular and co-curricular activities like international conferences, conclaves, short-term industry-relevant programmes, student competitions and cultural activities etc. Nirma University is also **5-Star Rated University** by the Gujarat State Institutional Ranking Framework, 2021

About Institute of Management

Founded on the vision of Padmashree Dr. Karsanbhai K. Patel, the Institute of Management, Nirma University (IMNU), earlier known as Nirma Institute of Management, came into existence in 1996. Embodying the principles of entrepreneurship, excellence, and professionalism, it imparts top-class business education and has produced new generation leaders and managers over the years.

The Institute of Management believes in critical academic pursuit and encourages original and innovative thinking with regard to national and internationally relevant ideas, policies through intellectually stimulating debates and discussions at all levels. The Institute has built its reputation with a dedicated goal of adding value to life and professional standards.

IMNU, a centre of learning where knowledge fuels the desire for distinction, has always pioneered in serving the changing needs of the industry. The campus infrastructure and amenities are comparable to any reputed university around the world. It hosts fully equipped classrooms where focused discussions, interactive study sessions, role plays, presentations, case studies, and strategy implementation sessions are held as part of the future managers' everyday work schedule. Institute of Management is ranked as **22nd Best B-School pan India and published in Education World in May 2023.**

OBJECTIVE OF THE PROGRAM

The Management Development Program aims to achieve the following objectives:

- Provide a comprehensive understanding of Lean Methodology, both in theory and practice.
- Enable participants to gain practical experience with Lean through gamification and real case study analysis.
- Demonstrate the correlation between the successful implementation of Lean and a competitive advantage for organizations.

WORKSHOP TAKEAWAYS

The program offers participants practical and theoretical insights into Lean methodology. Through gamification and real-world case studies, attendees will gain hands-on experience in implementing Lean principles to drive continuous improvement in their organizations. The one-day intensive session aims to enhance participants' abilities to improve customer satisfaction, reduce costs, and increase revenue. Moreover, the program demonstrates how effective Lean implementation can lead to a sustained competitive advantage, making it essential for executives from various functional areas striving to optimize productivity in industry, service, and government sectors.

RESOURCE PERSONS

The Faculty of Institute of Management, Nirma University would conduct the programme.

FOR WHOM

The program is ideal for executives across diverse functional areas who seek to improve productivity standards in industry, service, and government by leveraging Lean tools and techniques.
