Nirma University

Nirma University, Ahmedabad, was established as a Statutory University in 2003. The University is recognized by the University Grants Commission (UGC) under section 2(f) of the UGC Act. The University is also accredited with 'A+' grade by National Assessment and Accreditation Council (NAAC). Nirma University is ranked among the top 100 Universities by MHRD, GOI. Nirma University was awarded the Centre of Excellence (CoE) status in January 2022 by the Government of Gujarat.

Nirma University consists of the Institute of Technology, Institute of Management, Institute of Pharmacy, Institute of Science, Institute of Law, Institute of Architecture & Planning, Institute of Commerce, Institute of Design and Directorate of Research & Innovation. The graduate, post-graduate, and doctoral level programmes offered by these faculties are rated highly by accreditation agencies, industry, business magazines, and students.

Innovation, quality, and excellence are the key driving forces on the campus which have translated the vision of the University Institutions into reality. Today, the campus vibrates with not only world class curricular activities but also with myriad of activities like international conventions, symposia, conferences, student competitions, conclaves, short-term industry relevant programmes, cultural activities, etc.

The Institute of Commerce

Nirma University symbolizes the principles of brilliance, excellence and professionalism. It aims to impart top-class education in the field of Accounting as well as Banking, Financial Services and Insurance (BFSI) Sector.

The Institute of Commerce believes in serious academic pursuit by means of prudent mix of relevance and rigor in its curriculum design and delivery aimed at imparting the relevant skills, knowledge and ideas through intellectually stimulating debates & discussions, innovative teaching pedagogies and exposure to industry practices. The Institute is dedicated to its goal of adding value to life and professional standards.

Institute of Commerce, a center of learning where knowledge fuels the desire for distinction, aims to pioneer in serving the changing needs of the industry. The campus infrastructure and amenities are comparable to any reputed university around the world. It hosts fully equipped classrooms where focused discussions, interactive study sessions, role-plays, presentations, case-studies etc. are held.

Accreditation

Nirma University and its constituent Institutes are accredited with 'A+' grade by National Assessment and Accreditation Council (NAAC), an autonomous accreditation institution of the University Grants Commission, Government of India.

The letter grade 'A' is the highest grade awarded to an institution of higher education by NAAC. This accreditation status indicates that Nirma University and all its constituent Institutes meet the standards of quality as set by NAAC, in terms of their performance related to educational processes and outcomes covering the curriculum, teaching-learning, evaluation, faculty, research, infrastructure, learning resources, organisation, governance, financial well-being and student services.

Infrastructure

The Campus

The University is situated about 15 kms from Ahmedabad city, on the Sarkhej – Gandhinagar Highway. A 115-acre lush green campus in picturesque surroundings provides a refreshing environment, stimulating intellectual alertness and creativity. The campus has an ambience that motivates the students to grow. The University building has several amphitheatres, flat classrooms, an auditorium with a capacity of 450 seats, computer centre, a communication lab, a fully automated library, an art gallery, faculty and administrative blocks, conference rooms, and other facilities. Modernity, aestheticism, and grandeur characterize the buildings. The campus also has modern sports facilities. The overall atmosphere is distinguished by serenity, which is conducive for intellectual pursuits.

Classrooms

The classrooms are well equipped with multimedia and audio-visual equipment to facilitate effective learning. Classrooms are designed to promote maximum interaction between the faculty and students. Each classroom has internet connectivity through LAN and Wi-Fi.

Computing Facilities

The Computing facilities for the students include a well-equipped lab. A gigabit network connects every corner of the Institute. Every student and faculty member has a networked laptop computer at his or her disposal. High-speed servers run on a variety of platforms to suit all kinds of requirements and support the entire network. A 1.5 GBPS dedicated optic fibre leased line and Wi-Fi hotspots enable round the clock Internet connectivity on the campus. The Institute has also acquired the latest software, namely SPSS v23, Tally, latest version of Microsoft Office Suite, etc. among others. Internet mail servers are also available to students and faculty round the clock.

Library Resource Centre (LRC)

Recognising the role of library and information services in meeting the requirements of the Institute's academic, research, training, and consultancy activities, the library was set-up as one of the key divisions of the Institute of Management, Nirma University. Our library is considered to be among the best b-school libraries in the nation. The library houses a rich collection of information resources in Business, Humanities and Social Sciences.

The library collection comprises books, journals, standards, and other non-book materials under business and management discipline. The strength of the library collection is electronic resources that include online databases, like EBSCO's Business Source Ultimate, Elsevier's Science Direct: Business Management and Accounting, Emerald Management 175, JSTOR, ISI Emerging Market, OUP e-Bundle, Bloomberg Terminal – Professional Services, EPWRF – India Time Series, INDIASTAT.COM, CMIE's ProwessIQ, ACE Equity and ACE Mutual Fund, SCOPUS. All the databases are IP-authenticated which makes them easily accessible from anywhere on the campus. Moreover, WiFi enabled campus adds to the comfort level of the users.

Apart from this, the library has also adopted the latest information technology mediums like Multimedia kits, Bar-Code Scanners, text as well as graphic scanners and biometric readers for the convenience of the participants.

The library portal facilitates access to digital resources like e-journals databases, videos and CDs digitised and kept on the server, etc. and also provides all relevant and useful information about the library in addition to linking the Central Library Resource Center of the University.

Hostel Facility for Girls

One of the key contributors to an intensive learning experience is living on campus. A well-furnished and aesthetically designed hostel for girl students is under construction which shall be made available soon. The hostel will be located on the campus and is near the institute building. The campus is under the surveillance of CCTV cameras and provides a safe environment for girl students. The hostel will have facilities like an RO water purifier, a common room with a TV, which creates a homely atmosphere.

Testimonials

Sachin Thakwani

One thing I will never regret in my life is that I decided to do my Bachelor of Commerce (Honors) from ICNU. Being a person who moved from Dubai to Ahmedabad, I explored a lot during my time at the University. The curriculum and the university does not only teach you how to obtain the degree but also how to thrive at a corporate. One of my most memorable experiences at the college was taking leadership positions in organizing events. Three years at the University flew by too soon, but not the memories and the knowledge I gained at this wonderful institute.

Kanchi Maheshwari

I have been fortunate enough to be a part of the Institute of Commerce, Nirma University which has helped me excel academically as well as personally. The institute provides limitless opportunities for holistic development of an individual ranging variedly across academics, cultural genre, sports, professional, empirical and realistic knowledge. The tenacious support and motivation of all faculty members have inspired me to expand my horizon of knowledge. The competitive environment and continuous evaluation system help students to trespass the shortsighted arena of studies; furthering beyond to take up real-time challenges more confidently and reaching the zenith in whichever field they opt for in the future.

Mayuri Jain

Fabulous and rewarding that's how I will describe my past three years at Institute of Commerce. The college has been amazing. It was like living dreams; I was studying a subject that I am passionate about. I have felt extremely welcomed here from the beginning. A pool of highly qualified faculties supported me the entire way. I feel that studying in this institute was a great learning experience that has helped me tackle professional problems with ease. The campus is beautiful and full of facilities.
