This was a student project, The topic was "Future is eSport" The ideas was to create a book for the gamer community and especially for the eSports!

eSports describes the world of competitive, organized video gaming. Competitors from different leagues or teams face off in the same games that are popular with at-home gamers: Fortnite, League of Legends, Counter-Strike, to name a few. These gamers are watched and followed by millions of fans all over the world, who attend live events or tune in on TV or online.

# Monogram

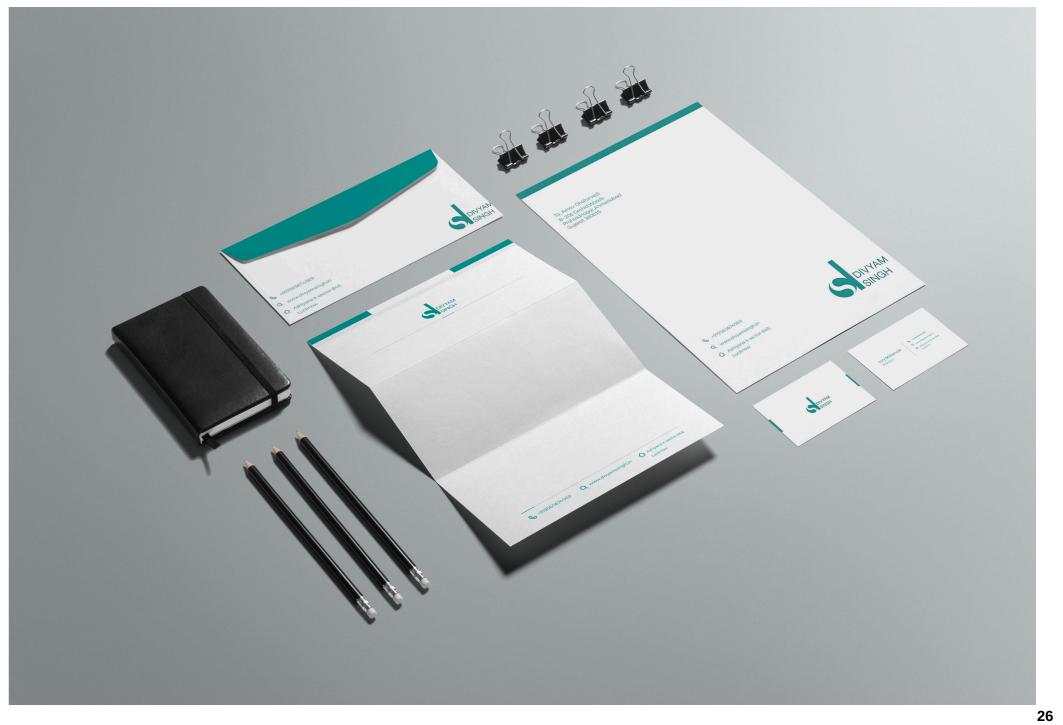

Logo

This was a student project.

I wanted to portray the trait/adjective "self sufficient". I tried playing with negative space to create the letter "S" in "D". Utilising the definite space in the best manner, to showcase both the letters to make it look like a monogram is a trait of self sufficiency

Both the positive and the negative space will play the role in such a way that it shows the letter "S" which is getting create in its own way and it didn't require any other letter, form or any other element to create the letter S.

### **Brochure**

Layouting and typography

This was a student project.

Creating Valorant brochure, giving a brief description about the agents and about their abilities.

### **Coffee table**

**Publication** 

This was a student project.

Creating a coffee table by using photographs I clicked and playing around with the layout.

"The standard chunk of Lorem Ipsum used since the 1500s is reproduced below for those interested."

Contrary to popular belief, Lorem Ipsum is not simply random text. It has roots in a piece of classical Latin literature from 48 BC, making it over 2000 years old. Richard McCintock, a Latin professor at Hampden-Sydney College in Virginia, looked up one of the more obscure Latin words, consectetur, from a Lorem Ipsum passage, and pging through the cites of the word in classical literature, discovered the undoubtable source. Lorem Ipsum comes from sections 110.32 and 110.33 of "de Finibus Bonorum et Malorum" (The Extremes of Good and Evil) by Cicero, written in 45 BC. the theory of ethics, very popular during the Renaissance.
