5.6 The course work result including Research methodology course/s shall be finalized after a combined assessment by the Research Advisory Committee and the Area/ Department and the final marks shall be sent to the Ph.D Section for preparing the result within reasonable time but not beyond one month after submission of course work by the student at the department.

5.7 A Ph.D. scholar has to obtain a minimum of 55% of marks or its equivalent grade in the UGC **10**-point scale in the course work in order to be eligible to continue in the programme and submit the thesis.

Course wise grade shall be given on basis of the percentage marks obtained by the student in the respective course/s. For converting, the percentage marks in to corresponding grade (G) following table shall be used:

% marks	Grade	Grade Point
91 and above	O	10
81-90	A+	9
71-80	A	8
61-70	B+	7
55-60	B	6

A Ph.D scholar has to obtain a minimum of ^H**B** grade in each course and minimum CGPA 6.00 in order to be eligible to continue in the programme.

The CGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student i.e.

$$^H\text{CGPA} = \sum(C_i \times G_i) / \sum C_i$$

Where C_i is the number of credits of the i th course and G_i the grade point scored by the student in the i th course. The CGPA shall be round off to two decimal points and reported in the grade report. CGPA can be converted in to % marks as under:

$$\% \text{ marks} = \text{CGPA} \times 10$$

5.8 After successfully completing the course work, within three months, the Research scholar will be required to develop a comprehensive research proposal under the guidance of his/her Research Supervisor and will be examined by Research Advisory Committee (RAC) and on the recommendation of the committee, the final shape of the research proposal along with tentative title of the topic of research shall be decided.

Minor changes in the topic can be done by the Research Scholar on recommendations of Research Advisory Committee before submission of the synopsis.

The two referees shall prepare a joint report on the viva-voce test.

Provided, however, that in exceptional cases where the Internal referee is not able to conduct the viva-voce due to unavoidable circumstances, the co-supervisor/ joint supervisor as the case may be will work as internal referee and conduct the viva-voce with the prior approval of Director General.

Provided further that where the co-supervisor or joint supervisor is not appointed than one of the following will work as internal referee in order of preference:

1. Head of Department concerned/ Area Chair Person who is recognized Ph.D Supervisor.
2. Dean, of the Faculty concerned.
3. Dean, Faculty of Doctoral Studies & Research

A public viva-voce will be chaired by the Dean, Faculty of Doctoral Studies & Research or his nominee. The date & time of the seminar to be conducted, be communicated to the University by the supervisor through proper channel

- 7.9 ^{F1} If any one or both of the external referees make any suggestion to improve the research work before giving their recommendations, the internal referee shall communicate the same to the concerned research scholar for necessary action. If the internal referee is satisfied that the suggestions given by the external referees have been carried out by the Research Scholar, then the same be communicated to the Ph.D. Section.

The corrections carried out by the research scholar shall be communicated to the concerned external referees within six months duration from the date of receipt of comments in case of minor revisions in thesis. In case of major revision, the duration shall be one year from the date of receipt of comments. In case of minor revision: no further extension will be granted to the student to implement the suggestions.

In case of major revision: in exceptional circumstances if the student is unable to carry out the suggestions in the prescribed time, then on the written request of the student, the RPC/RAC (wherein Dean of Faculty concerned will also be an additional member) will examine the case. Based on the satisfactory examination of the case, the RPC can recommend to the Director General for the grant of an extension maximum up to six more months.

In such cases, where the external referees reserve their recommendations and internal referee may forward all the reports including that of the viva-voce, to the Executive Registrar who in turn will submit one document to the Faculty of Doctoral Studies and Research for final recommendation and on such recommendation, the Academic Council will take final decision.
