

Programmes organized under Centre for Continuing Education (CCE)

Sr. No.	Name of the programme	Programme Coordinator(s)	Date
1	Workshop on Hands on training on software related to computer aided drug design	Dr. Manjunath Ghate Dr. Jignasa Savjani	January 21-22, 2013
2	National seminar on Recent Advances in Drug Discovery 2013	Dr. Manjunath Ghate Dr. Hardik Bhatt Mr. Vivek Vyas	March 23, 2013
3	Hands on Training on Modern Equipments for Pharmaceutical Technology	Dr. Dhaivat C.Parikh	December 6, 2013
4	Workshop on interpretation of spectral data	Dr. Manjunath Ghate	December 18-20, 2013
5	Preclinical animal models and drug evaluation techniques	Dr. Murali B. Dr. Jigna S. Shah Dr. Bhoomika M. Patel	December 27, 2013
6	National Seminar on Nutraceuticals & Dietary supplements Global regulatory challenges and opportunities	Dr. Vimal Kumar Dr. Niyathi Acharya	February 26, 2014
7	National Seminar On Quality by Design (QbD) for Pharmaceutical Research	Prof. Tejal Mehta	December 11-13, 2014
8	Entrepreneurship Awareness Camp	Dr. Sanjeev Acharya	December 29-31, 2014
9	One day National Seminar on CTD- Technical & Regulatory Requirement	Dr. Charmy Kothari Prof. Priti Mehta	September 26, 2015
10	Herbal Cosmetics_Recent Advances, Regulations and Market Trends	Dr. Niyati Acharya Dr. Sanjeev Acharya Dr. Vimal Kumar	March 4, 2016
11	Computer Aided Drug Design Software	Dr. Jignasa Savjani Ms. Bhumika Patel	March 18, 2016
12	Molecular Biology Techniques	Prof. Jigna Shah Dr. Snehal S. Patel	September 16, 2016

13	Particle size engineering for Nanodrug delivery systems	Prof. Tejal Mehta, Dr. Mayur Patel, Dr. Mohit Shah	September 23, 2016
14	Hands on Training for HPLC & GC	Dr. Priti Mehta, Mr. Nrupesh Patel	October 14, 2016
15	Computer Aided Drug Design Software	Dr. Jignasa K. Savjani Dr. Bhumika D. Patel	February 17, 2017
16	Advances in Natural Medicines, Nutraceuticals and Herbal Cosmetics	Dr. Niyati Acharya Ms. Nagja Tripathi	August 19, 2017
17	Formulation and Characterization of Nanoparticulate Drug Delivery System	Prof. Tejal Mehta Dr. Renuka Mishra Dr. Dhaivat Parikh	September 16, 2017 (Saturday)
18	Medical Writing	Prof. Jigna Shah, Dr. Shital Panchal	September 21, 2017
19	Hands on Training for HPLC & GC	Dr. Priti Mehta Mr. Nrupesh Patel	November 3, 2017
20	Application of Analytical techniques for Herbal Drugs Research	Dr. Niyati Acharya Dr. Dipal Gandhi	January 6, 2018
21	Computer Aided Drug Design Software	Dr. Jignasa K. Savjani Ms. Palak K. Parikh	February 17, 2018
22	Neuropharmacological Evaluation of Drugs Application of Stereotaxic Surgery and Behavioral Assessment	Dr. Niyati Acharya Dr. Dipal Gandhi	August 31, 2018
23	Hands on Training Programme on Formulation and Characterization of Nanoparticulate Drug Delivery System	Prof. Tejal Mehta Dr. Shital Butani Dr. Jigar N. Shah	September 29, 2018
24	Hands on Training for Sophisticated Instruments	Dr. Nrupesh Patel Dr. Charmy Kothari	December 28, 2018
25	Computer Aided Drug Design Software	Dr. Jignasa Savjani Ms. Palak Parikh	February 16, 2019
26	Experimental Animal Models and Drug Evaluation Techniques	Dr. Jigna Shah Dr. Bhoomika M. Patel	February 19, 2019
27	Herbal Drug Technology: Emerging Trends, Challenges and Scope	Dr. Niyati Acharya Dr. Nagja Tripathi	August 17, 2019
28	Seminar on Nanodrug Delivery Systems (SNDD)	Dr. Tejal Mehta Dr. Mayur Patel Dr. Mohit Shah	October 22, 2019
29	Computer Aided Drug Design software	Dr. Vivek Vyas Dr. Bhumika Patel	January 21, 2020
30	One Day Workshop on Medical Writing	Dr. Bhagawati Saxena Prof. Jigna Shah	February 15, 2020
31	Workshop on Sophisticated Instruments	Prof. Priti Mehta Dr. Hardik Bhatt Dr. Nrupesh Patel	January 04, 2022

32	One Day Seminar on Nano Drug Delivery	Dr. Mohit Shah Dr. Dhaivat Parikh Dr. Hardik Bhatt Prof. Tejal Mehta	January 29, 2022
33	Workshop on Computer Assisted Drug Design Software	Dr. Vivek Vyas Dr. Hardik Bhatt	March 10,2022
34	Webinar on Popularization of alternative and complimentary medicines in healthcare interventions	Dr. Niyati Acharya Dr. Dipal Gandhi	March 11,2022
35	Basic Cell Culture Techniques	Dr. Jigna Shah Dr. Snehal Patel	March 19,2022
