

Nirma University

Nirma University was established by the initiative of the NIRMA EDUCATION AND RESEARCH FOUNDATION (NERF). The University was established in the year 2003 as a statutory university under a special act passed by the Gujarat State Legislative Assembly. It is recognized by the University Grants Commission (UGC) under Section 2(f) of the UGC Act. The University is duly accredited by National Assessment and Accreditation Council (NAAC) with "A" Grade. The University is a member of Association of Indian Universities (AIU) and the Association of Commonwealth Universities (ACU).

Functioning under the aegis of NERF, the University consists of Institute of Technology, Institute of Management, Institute of Pharmacy, Institute of Law, Institute of Science, Institute of Architecture and Planning, Institute of Commerce, Department of Design. The University is identified with cutting edge research, robust academic programmes, quality teaching learning process and over-all personality development interventions of its students. The 110 acres sprawling state of art campus provides refreshing environment and stimulates intellectual growth and creativity.

About Institute of Architecture and Planning

Institute of Architecture and Planning is a leading institute offering multidisciplinary undergraduate and PhD programmes in Architecture and Planning. Institute is located in peaceful and sylvan surroundings, about 15 km from Ahmedabad Railway Station on Sarkhej Gandhinagar highway. The academic ambience provides full scope for development. The institute provides an inspiring environment to all students to expand their creative and intellectual dimension and recognize their hidden talents not only in the design and planning fields, but also in life skills.

About Centre For Continuing Education

Nirma University established a Centre for Continuing Education to cater to the needs of various stakeholders with the following objectives:

- To provide Continuing Education, Knowledge, Training facilities etc. in various fields to contribute for the social development.
- To design suitable programmes to enhance the skills of an individual so as to improve the quality of human lives through application of knowledge.
- To coordinate the continuing education programme offered by various Institutes at the University level.
- To assist working professionals in the industry in widening their knowledge base and in improving their skills.
- To promote strong Industry - Institute interaction.
- To arrange Workshops, Lectures, Seminars, Services, on requests.
- To identify employment potential areas and to conduct competency based skilled development programme.
- To identify the training needs of specific sectors and plan and organize suitable training programmes for them.
- To conduct Vocational Training to meet the specific needs of industrial business.
- To conduct short duration and long duration programmes in management, engineering and technology, pharmacy and law.
- To conduct Training Programme for Competitive Examination.
