

Programmes organized under Centre for Continuing Education (CCE)

Sr. No.	Name of the programme	Programme Coordinator(s)	Date
1	Current Trends in Molecular Biology programme	Prof. Sarat Dalai	March 8, 2014
2	Continuing Medical Education program in Immunology (Under the aegis of Indian Immunology Society)	Prof Sarat Dalai	August 8-9 , 2014
3	Grow your cells and harvest the chromosomes: A one day workshop on Methods & Mechanisms of Human Cytogenetics	Dr. Sonal Bakshi	January 8, 2015
4	In vitro: Art and Science of Cell Culture	Dr. Amee Nair Dr. Sonal R. Bakshi	February 2-4, 2016
5	Molecular Biology Techniques: Cloning to Expression	Dr. Shalini Rajkumar	January 16-18, 2017
6	Wastewater from characterization to treatment	Dr. Nasreen Munshi	March 12-14, 2018
7	Seminar on CRISPR Cas9 in Genome Editing	Dr. Kuldeep Verma	March 2, 2019
8	Flow cytometry in Research and Health Care	Dr. Dablu Lal Gupta	March 3-5, 2020
9	Hands-on "Bioinformatics for Academicians"	Dr. Sarat Dalai, Ms. Siddhi Jani	June 08 - 10, 2022
