About Technocalypse

Technocalypse 2023 will provide interactive insights into the phenomenal opportunities that various disciplines of Institute of Technology, Nirma University has to offer.

The event is only for students who have given their Higher Secondary (12th) Examination and are in pursuit of Bachelor of Technology (BTech).

Participants will also receive a firsthand experience of numerous award winning engineering marvels like the ATVs (All Terrain Vehicles), UAVs (Unmanned Aerial Vehicles), Autonomous Robots, AUVs (Autonomous Underwater Vehicles).

Only one Parent/Guardian is allowed to come with student.

Certificate for attending the event will be provided through email.

Registration is Free of Cost.
